Healing in Communion -

Before the Israelites left Egypt, each family killed a lamb, spread the blood on the doorposts, and roasted and ate the lamb. When the angel of death came, the firstborn was killed in every household except those with the blood on the doorposts. The next day when the Israelites walked out of Egypt there was not a feeble one among them. About 2 million people, strong and healthy! Through the body and the blood of the lamb, health and life had come to the Hebrews. Jesus is that lamb for us. In Communion we eat bread – his body – and drink wine – his blood. By taking our sins, sicknesses, and pains upon himself and overcoming them, He earned our forgiveness and paid the price for our healing! People are healed in Communion. You can take it every day, by yourself, with others, or in a church service.

This and all our CD's can be obtained through the web site, at our ministry programs and services, at our ministry office, and by using the enclosed CD request form.

A MIRACLE MINISTRY – FREEING PEOPLE AND BUILDING THE CHURCH

In Luke 4:18 Jesus took upon himself the objective of preaching the Kingdom of God and healing the people, healing including freeing people from captivity of any kind – sickness, demons, ignorance, blindness, much more. So that's what we do. We model the ministry after Jesus' ministry. We preach Jesus Christ. He is the Christ. And He was very clear about who we are in him and what we can do. So in Him we heal the sick, we free the captives, we cast out demons, we bring truth to the ignorant or the uninformed – which is much of the world and nation.

Recently in a private ministry meeting with desperate people seeking release from attacks of evil spirits, I first sought to reassure them. Without thinking, I suddenly said, "This is a miracle ministry. We've seen many miracles." And I realized, that's a word from God, a true revelation. This is a miracle ministry. That's what it is. Jesus Christ was a miracle worker. And so are we in him.

There are an astounding number of people out there who are suffering and hurting and don't know where to go for help. Conventional sources of help can't provide it. They can only cover up, or mask

the problem. So sometimes these people want to meet confidentially, and we are open to that.

We thought about not doing that and always directing people to our healing services or other public programs. But the requests are too much, the people too hurting. Nothing is impossible with Jesus, and we just go forward on that. And on his wonderful statement in John 14:12 that those who believe will do the same things he did. We just take Jesus at his word.

This ministry - your ministry - is a miracle ministry. Let me tell you what hurts me – seeing desperate people who don't know where to go, who seek help elsewhere for situations that Jesus can handle and has handled. This ministry has the truth of Jesus to convey, but that takes funds and opportunities and people willing to seek the truth and not settle for the extraordinarily limited definition of Christianity that a majority of Americans have.

Jesus didn't come for you to recite a few sentences about accepting him and then sit in a pew every Sunday until you die. In fact Jesus only used the phrase "born again" once. There is so much more to God. Jesus came to restore the Kingdom of God and show you how to get in. He came to give you a full life, an abundant life, a victorious life. He came to free you from captivity. Get out of those churches that do not preach the full gospel of the Kingdom of God. Find one that does. I know in many communities that may be difficult. But try. It is your life we're talking about. And your God.

TELEVISION

We are continuing to work on a new weekly television program. We have been in discussion with several stations and are optimistic about this beginning in the near future. As you can imagine, the cost is way beyond what this ministry had been receiving in donations thus far in its existence, and we are believing God for provision. God has revealed so much to us; it cannot be just for us to pass on to people who come to our meetings and read the newsletters and listen to the CD's. We must get the truth of the full Jesus and the Kingdom of God out to more. People have to know who Jesus is, and who they are in Christ.

CONSIDER MONTHLY PARTNERSHIP

Join us in carrying the truth of the full power of the gospel of the Kingdom of God to more and more. Please. That is what Jesus said he had come to do. We can't carry out the activities discussed here without your help. One great way you can is by becoming a regular, monthly contributing partner, using the enclosed form. Such regular monthly contributions help us greatly in our ability to plan and schedule ministry programs and activities. Television time, for example, must be paid in advance. All contributions are of course welcome and highly valued. And also your prayers and the wonderful efforts of our ministry volunteers. We are eternally grateful to all those who assist us and the ministry in so many ways.

WHAT'S YOUR ANSWER?

Once Jesus asked his closest group of followers who people said he was. Some answered giving one name or another, such as Elijah or Jeremiah.

Finally, he said, "Who do you say I am?"

It was the ever determined Peter who answered: "You are the Christ, the Son of the living God."

Jesus replied that flesh and blood had not revealed this to Peter, but rather his father who is in heaven. And Jesus continued: "You are Peter, and on this rock I will build my church."

What rock? Surely not Peter, a human being with all the frailties that come with walking around in a flesh and blood body. Not Peter.

What rock? Not Peter, but Peter's answer. His revelation.

"You are the Christ, the son of the living God." **YOU ARE THE CHRIST!** That's what God had revealed to Peter. Right in front of him was the anointed one of God. That's what Christ means, anointed one. He was walking around with the Son of the living God. This was the Messiah, the one they all had been looking for over all the centuries, the one prophesied by Moses and Isaiah and so many others.

YOU ARE THE CHRIST!

On the truth of that statement Jesus builds His Church. He is the Christ.

That is rock solid truth. No other being is the Christ, the Son of the living God. No one. Truth rests on the rock of Christ. Jesus builds his church on himself.

What Church? The one at the corner of Main and Elm? All these brick buildings? All these edifices for the various denominations, whether mainstream or not?

None of that. None of those buildings and organizations is Jesus' Church.

Some of the people who come to sit in those buildings are part of Jesus' Church, to be sure. For some places maybe a large percentage. For others, maybe no one. And some people who meet in home groups to pray and worship are also part of that Church. And some people who stay at home are part of the Church too.

You see, Jesus' Church is that group of human beings, living and dead, who have truly accepted him for who He is, who realize, yes indeed, "You are the Christ," and they have made him Lord of their lives.

Everyone taking that step, everyone in the Church, is in the Kingdom of God right now, even before Jesus returns to set up his physical, territorial Kingdom and rule from Jerusalem. The marvelous benefits of being in the Kingdom are realizable right now. Health. Provision. Protection. Walking with God. Being the righteousness of God in Christ Jesus. Suffering from no curses. Eternal life – life with the Father and the Son. All that. Answered prayer. Prayer with results.

Look at all these confused people on earth today, all the difficulties in personal relationships, all this horror in war and terrorist activities, all this confused worship of entertainment celebrities, all the disarray and even hatred in Washington. So many people following false idols, false religions like Islam and Hinduism and Buddhism, false cults like Scientology and Jehovah's Witnesses and Mormons and New Age. In all this just keep your eyes on Jesus. And go forward. In him you are undefeatable. You can do all things through him who strengthens you. Nothing is impossible with God.

"Who do you say I am?" Jesus asks that of each of us. He asks you. Then it is our turn to answer.

"You are the Christ, the Son of the living God!"

Right! Shout it out!

YOU ARE THE CHRIST!

Yes, thank God, you are the Christ!
