

Dear Partners and Friends,

That sign above appears in front of our office in Wilmington, NC. We thought those of you far away might like to see it!

This year is drawing to a close, and I want to thank all of you who partner with this ministry for your support in 2006. Many of you have contributed funds or other items. Others have given their time and effort, helping in the seminars and services, setting up and breaking down meetings, assembling newsletters, putting together CD packages, and more. And then there are your prayers. Cathy and I - and all those involved in the ministry - need prayers for protection; prayers for more and more opportunities to minister God's full gospel of the Kingdom to unbelievers and to believers who have never before experienced the full gospel; prayers for God's power (signs and wonders) to manifest boldly in all meetings; and prayers for God's provision so that we can reach more and more people.

This year has seen the introduction of 4 new CD's - one is announced later in this newsletter. It also was a time of my appearing on the Raleigh television program of Lanny Swaim (*Glory Broadcast*) twelve times to teach on various subjects. In eight of those programs, we taught on the signs of the times, the amazing things that have happened in the last century and the first few years of this one that fulfill so much Biblical prophecy and indicate clearly that it is not long before Jesus returns (Those eight programs were later put onto one DVD that is available for a contribution of \$20 or more.).

Throughout the year we conducted Tuesday night programs at McAnderson's, bringing that series to a close at the end of October in order to free up more time to carry forward the larger seminars/services and to work towards beginning a television ministry and other projects.

Of all our activities, the most encouraging and dramatic programs continue to be centered around healing. The Day of Healing is a wonderful format, beginning with a seminar of teaching on healing and culminating in a healing service that night. It is wonderful to see people healed. **It is still more wonderful, to me at least, to see people realize that God is real, to see them encounter the presence and power of the living God for the first time in their lives.** People may go to church all their lives and not encounter God. In these Day of Healing services, they do. And they are never the same afterwards. This "Day" has been held in both civic and church facilities. We also continue to hold individual healing services wherever invited or the opportunity presents. A thrilling service of

this type was the one held in a center city area at which, as the service continued, individuals attending with cell phones telephoned others outside to come to the meeting! God was there!

In addition to Healing, we also offer these programs that combine seminars with services - Who Jesus Is and Who You are in Jesus, Kingdom Truths, Realizing and Honoring the Holy Spirit, and Signs of the Times (“end times”). A seminar flier is available from our office.

We are working on more CD’s. I hope to have a series out on the Kingdom of God in the next couple of months. Preaching the Kingdom of God was, in Jesus’ own words, why he was sent (Luke 4:43).

We hope to record the first four television shows of our new program in January. Our plans are to be on commercial channels, thus being available to those who would never look at Christian television.

And I have hopes to produce short books on key subjects of the ministry. Time, of course, is always the issue in accomplishing all this – time and funds availability.

As Jesus said, “IT IS FINISHED.” It is. He has done all that is necessary to restore us to the Father, to the Kingdom and the life God had planned for us in all aspects. But now it is up to us. To realize it all, not just forgiveness of sin and eternal life but also healing, provision, freedom from captivity of any kind, takes faith and action on our part. And so does ministry.

The more the funds and the opportunities, the further the ministry goes. God provides in many ways, and a primary way is quite apparently through the contributions of ministry partners and friends. All contributions to John Newlin Ministries, Inc. – whether money or material goods or stocks or bonds – are tax deductible. John Newlin Ministries, Inc. is a 501 (c) 3 nonprofit corporation.

To go forward with the television program requires now an increase of contributions per month of about \$2000. This will enable production of weekly half hour programs broadcast initially over much of the eastern half of NC. Of course, once the programs are produced, they can be broadcast elsewhere as funds are available.

As far as Day of Healing and other such programs are concerned, renting a facility to which people feel comfortable in coming costs somewhere between \$500 and \$1000. Beyond that are the costs of travel, production of CD’s and papers for those attending, even housing and food depending on where the meetings are. If these seminars and services are in churches, the building rental costs are avoided.

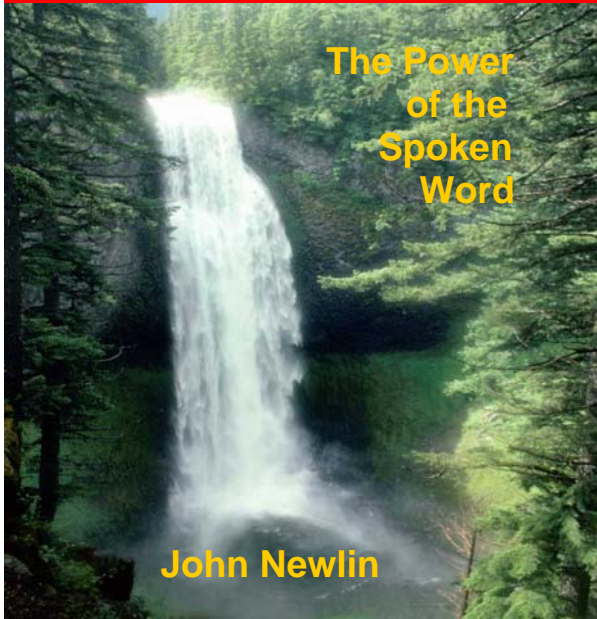

You are part of this ministry, and I would ask you to consider two things – how you might help the ministry financially and in others ways as we go forward into 2007, and whether you might like us to come to your church or area. We will indeed go anywhere God wants us to go. Has your church or community experienced the presence of God? Seen God in action? Does it know God is real, or only think he is a character in a book?

With God, nothing is impossible. Is anything too hard for God? You know the answer. No. If you’ve been keeping up with this ministry and seeing all the miracles, you know the answer is NO.

NEW CD – THE POWER OF THE SPOKEN WORD

Most people have no idea how their lives are affected by the words they speak. But it is true – the words of your mouth can have positive, creative, healing power, and they can have negative, destructive power. Anyone seeking healing is advised not to say negative words, nor to listen to that from others. Why? In the Bible we are warned about the dangers of the tongue. We also see that God spoke the world into existence and that his words accomplish things. There is power in words. You really are what you say. In this CD examine the Biblical basis and find out more about the amazing power of your words.

And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David a Saviour, which is Christ the Lord.
