

John Newlin Ministries - realizing the power of a life in Christ -

Dare to Believe! - New Ministry Television Series Begins!

Our new television series ***Dare to Believe!*** begins in February on Raleigh and Fayetteville commercial television channels and numerous cable channels in North Carolina.

Dare to Believe! That is what it's all about - making the decision to believe God, to realize that the Bible is true, God is real, Jesus is real, the Holy Spirit is real. And then, of course, since it is all real and true, the words in the Bible are to be acted upon. "But be ye doers of the word, and not hearers only, deceiving your own selves." - James 1:22

Dare to Believe! – That title is for you and your life. Dare to believe God and see what happens. Consistency is one of the characteristics of someone walking with God. As a believer, you are a recipient of untold blessings from God, those abundant blessings first promised to Abraham. But you do have to see with spiritual eyes to see those blessings coming, and you have to have faith over time.

Dare to Believe! will be broadcast over the air by Raleigh station WRPX channel 47 at 7:30 am each Thursday beginning February 22, and will be shown on numerous cable channels at the same time, such as these:

Raleigh area – Time Warner channel 21	Fayetteville – Time Warner channel 5
Durham – Time Warner channel 22	Chapel Hill – Time Warner channel 22
Apex – Time Warner channel 23	Rocky Mount – Cequel III channel 6
Selma – Time Warner channel 23	Goldsboro – Time Warner channel 22
Wilson – Time Warner channel 15	

It will also be broadcast over the air by Fayetteville station WFPX channel 62 each Tuesday at 5:30 pm beginning February 20. This broadcast will also be shown on several cable channels. So all of you in the Fayetteville area will have two times a week to see ***Dare to Believe!*** More broadcast details are enclosed. Please check to see if your location is included. In any event please tell your family and friends who live in the broadcast areas about the new program! We do hope to add a Wilmington, NC station/cable station before long, and over time other areas.

The funding requirement for the broadcasts beginning this month is great (an increase of more than \$2000 a month over current expenses), and this entire effort is a step out in faith that funds will be forthcoming. If I consider the many words God has given me in recent years, his overall guidance is to

“Have a prayer, preaching, and healing ministry with my wife. Tell people who I (Jesus) am. Tell people I am coming soon.” There are others, such as “write, give your testimony, and feed my sheep,” but I think overall most fit under these few sentences. We are stepping out in efforts to reach larger numbers of people with the truth of who Jesus really is and who we really are in him. The mass of the people, even those who say they are Christians, just do not know.

Please be in prayer for all involved in these and other ministry efforts and for God’s provision. As always, we thank you for your support in prayer, contributions, volunteer work, and more.

And speaking of His coming soon...

Last week we participated in a Benny Hinn meeting in Charlotte. Before the program had truly begun, he had a staggering announcement. About a week prior, he had received an invitation to meet with ambassadors of all the Arab countries in Washington. At the meeting, after a time of greetings, Benny asked what the meeting was all about. One of the ambassadors, speaking for the group, replied to the effect that they were all greatly concerned with the radical elements in their countries. They then asked Benny if he would come to their countries and hold meetings. He could speak to the Christians there. Benny said if he held meetings, they would be open and Muslims would come. They said fine. During the time of our Charlotte meetings, he received a further call from the Kuwait embassy saying Kuwait is open to him any time.

So the Benny Hinn ministry, the miracle healing ministry that has been holding meetings attended by millions in such difficult areas as India and Indonesia and that directly preaches the gospel message, is making plans to go to the Arab countries. In other words, to the Arab Muslim world! In my past I have worked in and with that world – in Saudi Arabia, Egypt, and The Sudan. I know how overwhelmingly different the culture and systems are in that world from our own country. I also know how determined their convictions. I would say this invitation to Benny Hinn from the Arab ambassadors ranks as one of the great miracles of our time – it’s like the parting of the Red Sea. Once he is in the countries and preaching the gospel and healing people, what do you think is going to happen? If ever you needed a sign that Jesus is coming soon, this should be it. This is a hard core area of unreached peoples on earth.

“And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.” - Matthew 24:14. Well, this is it.
