

John Newlin Ministries, Inc.

- realizing the power of a life in Christ-

June 1, 2007

Dear Partners and Friends,

Amazing things have happened since God created the world and all that is in it. Enclosed is a powerful summary of the history of God and man from creation to now, with a look at the next step. Sometimes it is good to pull back and look at the big picture, not just individual events or verses or ideas. It is printed separately so it might be useful not only for you but also for those you know who do not have any clue of the scope of God's plan and the history of God and man, nor of the pivotal moment in time in which we live.

Updates on key ministry activities follow.

DARE TO BELIEVE! - Ministry Television Program

We have produced 19 episodes and have broadcast 15. We hope soon to make DVD's of the programs available as sets, such as all the healing programs. Through letter, email, and telephone we are now hearing from people who are seeing the program. Recently in a hotel in Chapel Hill I had the opportunity to watch the Thursday morning broadcast. It was exciting. While the cable network in the hotel had more than 70 channels, it did not have Christian networks like TBN or INSP. But it did have our commercial channel and thus our program!

Thanks to all for your contributions in keeping the program going. Funds are still tight. We look forward to increased provision to continue these broadcasts as well as to expand to other areas, such as Wilmington NC and other cities. This whole television effort has been one of stepping out in faith. Sometimes I still am a bit shocked to see we are on the air in areas covering about 3 million people. But I ask you – why not cover 300 million? Most of this country is in the dark when it comes to Jesus and the full gospel. You must see that in your daily life, from newspapers, television, movies, and just interaction with the people around you.

Becoming a Partner

Please consider becoming a contributing partner of the ministry and sharing in what God is doing right here, right before your very face. If possible, become a regular monthly contributing partner. This ministry cannot operate without funds. God provides, yes he does, we see that all the time. That provision almost invariably is through people such as you, people who listen to God and respond. Just as Paul thanked the Philippians for supporting him, we thank you. Remember the promise of Jesus of the hundred fold return in this world and the next for what you give up for him and the gospel. That is what contributions to this ministry are – funds you are giving up for Jesus and the gospel.

Ministry Meetings/Partner's Meeting

We are working towards holding Days of Healing and other seminars and services in several cities. Should you wish us to hold a program in your area or at your church, please contact us. Also be on the lookout for an upcoming announcement of a partner's meeting sometime in the early summer.

What Did Jesus Do? Parts One, Two, and Three - CD's Now Available!

The amazing Son of Man and Son of God, Jesus Christ, accomplished far more than most people know. Yes, he earned forgiveness for all who believe in him, and eternal life as well. But that important step is just the beginning. Jesus did all that was necessary to take care of anything that separates a person from God. He became a curse for us so we don't have to suffer curses. He took our sickness and pain so we would be healed. He began the restoration of the kingdom of God on earth. He became poor that we might be rich. And so much more. Learn his astounding accomplishments so you can live in what he has done for you. These three CD's are now available as you can see on the form below. I encourage you to get these for yourselves and especially for those family and friends who do not know the fullness of all Jesus did.

May you live always in the blessings of God.

John
