

Some Brief Observations

This newsletter is more of an update than recent ones which contain more teaching, but I still do want to share a few observations. Recently we saw the US Senate opened in prayer by a Hindu clergyman. I don't have to tell most of you how wrong that is – false gods, idols, bringing in evil spirits right to the halls of government, and more. But that seems to fit what the Bible notes will happen as we approach the last days and the return of Jesus. Look at the general fear and premonitions of danger being expressed by many even in secular positions, such as the head of Homeland Security. The terrorist world is not going away, is not ignoring us, is absolute evil, is not a group with which we ever could negotiate as Americans understand that term. All over the place I see people in our country running about frantically, going to and fro fulfilling perceived requirements and duties of life. By the way, this frantic behavior is itself prophesied in the Bible. But little of this has to do with focusing on true life, on God. Everywhere there are a few serious believers. But for the most part, not a large number, not in this country. Jesus when he comes will collect his elect, the chosen ones, those who truly know him. That has nothing to do with denominations or whether a person goes to a brick building church on Sunday or other perceived Christian requirements. It has only to do with the heart. God does know your heart. And he knows if you know him. Don't waste time. Seek him with all your heart. He says we will find him when we do that. Make sure you turn off the TV and the radio and all the noise of frantic America and sit quietly with God every day – praying, reading the Bible, or even just sitting in his presence. Don't miss God. As Jesus said in regard to his return, "Be alert!"

MINISTRY PROGRAMS AND SERVICES

Cathy and I were just this last week in Fayetteville NC meeting with several facility providers in anticipation of holding programs there. And we expect to do the same in other cities in the television broadcast area and elsewhere. If you would like us to come to your community and hold seminars or services, please get in touch. We go where the Holy Spirit leads. And if the Holy Spirit does not lead, we don't go. Our programs cover such subjects as healing, breaking curses, freedom from demons, the return of Jesus, living in the Kingdom, the Holy Spirit, who Jesus is, what Jesus did, who we are in Christ, and much more. Many love the miracle healing programs. So do I, but let me tell you, they are all miracle programs.

DARE TO BELIEVE! Television Program Passes Six Months, Expands

Dare to Believe! has now been broadcast for more than six months on commercial television. That, as a minister friend has said, is a miracle. Most of you know this was a big step out in faith. We certainly did not have funds saved up to pay the weekly television air time bills and production costs. But then Jesus has told me he will do whatever I put my hand to, and one overall assignment I have is to tell people who he is and that he is coming soon. How better to reach larger numbers of people? Often we do not have the funds to pay bills due. When Andrew Wommack once prayed for Cathy and me, he suddenly said, "John, God has spoken into your heart. Ignore all the facts and keep going." Those words are never far from me. And so we keep going. It has not been easy. Thus far in the ministry funds have arrived in an uneven fashion but eventually in a way to cover the bills. Usually God uses people like you to deliver those funds. Has he been speaking to you about this?

DARE TO BELIEVE! is broadcast on WRPX In Raleigh NC at 7:30 am Thursdays and WFPX in Fayetteville NC at 5:30 pm Tuesdays with concurrent cable broadcasts throughout the center of NC covering about a three million population area, including such other cities as Durham, Chapel Hill, Wilson, and many more. Recently, an account executive for a television station located in Rocky Mount and serving counties northeast of Raleigh saw a broadcast and asked us to be on her station as part of the Sunday morning lineup for a very reasonable fee. Clearly, it was an offer God was behind, and we are now on WNCR on Sunday mornings at 8:30 AM.

Our hope is that this program will be on more and more television stations in other areas. Our great financial need is a steady flow of funds to cover the base costs, additional funds to add closed captioning required by many stations for broadcast under FCC rules and costing \$200 per episode, and then funds for television air time in other areas – such as our home base of Wilmington but also such as Atlanta, Hartford, wherever God leads. As funds arrive we intend to offer DVD's of programs broadcast and also to put the program on our web site.

Three New CD's

- ***Fighting Evil – Being a Christian Soldier***

Have you ever noticed how, despite your wisest efforts, something often seems to thwart your plans? It's almost as if someone has thrown a monkey wrench into your efforts. Maybe they have. There really is evil in this world. Yes, the devil and demons are real. God has provided tools for us to use in protecting ourselves and our families in this ongoing battle against the kingdom of darkness. But you have to know what the tools are to use them. This CD provides valuable guidance in just that. Be prepared. Stand against evil. Be a Christian Soldier.

- **THE RETURN OF JESUS:**

Several CD's will be produced under this heading, focusing on aspects of the long awaited and apparently soon to happen return of our Lord to earth. Two offered now are:

- ***Prophecies Fulfilled***

Had William Shakespeare written that Jesus was soon to return to earth, people of his day rightfully would have called him "nuts." So too had George Washington or Christopher Columbus made such a statement. But that is not the case in our day. Why? In the lifetimes of these people, many events prophesied to happen before Jesus returned to

earth had not yet happened. But in the lives of many of us now living, great prophecies have suddenly come to fruition. The nation of Israel, after hundreds of years of absence, is now in existence. Jerusalem is under the control of the Jews after almost two thousand years of that not being true. And so much more. Yes, Jesus is coming soon. This CD is for you and your family and friends, containing many prophecies now fulfilled, many you may have never heard.

- The Importance of Israel

Israel is the apple of God's eye. Scripture tells us that. From the moment Abraham was told of all that would happen to him and his descendants all the way until today, that is true. It – specifically Jerusalem – is the place to which Jesus will return and set up his rule. Explore through the Old and New Testament the extraordinary importance of Israel to God and to the return of Jesus to earth. Be prepared to be shocked at where we are in time and what is happening.
