- realizing the power of a life in Christ-

YOUR AUTHORITY IN CHRIST!

“For we are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.” – Ephesians 2:10 (NIV)

Are you aware of that? You and I were specifically made to do good works. God has already planned what we are to be doing. He has prepared the way. He has a plan for our lives that we should be living, as we’ve seen elsewhere in the Bible (Jeremiah 29:11).

But there is more. In that same book of Ephesians, we are told in the first chapter that God chose us in Christ before the creation of the world and predestined us to be adopted as his children through Jesus Christ. Somehow in some way we surely can’t fully grasp, we have already been blessed in the heavenly realms with every spiritual blessing in Christ (Ephesians 1:3-5).

That’s who we are if we are believers in Jesus Christ.

And wait - there’s still more! God has even gone so far as to mark us believers with a seal – the Holy Spirit (Ephesians 1:13-14), thereby guaranteeing our inheritance.

Just a few lines later the point is made that God has the same power available for and in us that he used to raise Jesus from the dead (Ephesians 1:19-20). Astounding! The gifts just keep coming.

So where in the world do people come off thinking and acting as if believers in Jesus do not have authority and power in this dreadful secular world and society in which we all find ourselves living? How dare any of us think like that!

God has put all things under Jesus feet. He has made Jesus the head of the Church, which is his body (and which consists of all believers wherever they are - not a particular denomination). If everything is under Jesus feet, and he is the head of the body, than everything is under our feet as well – in Jesus (Ephesians 1:22-23).

I know that today many are living in a state of turmoil. Inner turmoil. No peace. You can see it at every turn – with people you know, in news reports on the internet or on television, in events such as the famous “town meetings” where highly agitated people feeling great stress shout out without knowing exactly what or how to speak – the issues are just too frightening and dark. Most frightening perhaps is that some citizens and leaders do not seem to understand or hear the concerns.

It really is a very troubling environment we live in right now. Yes, I agree, it does appear something is happening in the country and society that does not tie with the basic American values and culture that the country was build on.

But we do know that times are supposed to get very tough as we near the return of Jesus. That is very clear in the Bible, and we’ve talked about some of that in past newsletters and CD’s and television programs. From the spiritual standpoint, we are moving steadily according to plan straight towards the

end of this age of human activity and the return of Jesus to earth. People with knowledge of the Bible who know Jesus should know this truth.

Now, did you really hear the words and scripture we just covered? Did you? You have great authority in Christ. You are an overcomer in him. Without Jesus you and I have no hope at all. None. Without him we might as well just quit. But with him? No limits. You and I can do all things in Christ Jesus.

We could just keep going in this manner. The second chapter of Ephesians likewise covers a medley of great gifts, including such wonderful points as that it is by grace we have been saved (we didn't do anything to earn it – no person could), God has raised us up and seated us in the heavenlies with Christ Jesus even now in some way we no doubt can't quite comprehend, and then again the wonderful verse I led off this letter with that says we are God's workmanship created in Christ Jesus to do good works which he planned in advance for us to do.

There seems to be no limit to the wonderful promises and gifts of God to those who believe. In John 14:12-14, which I quote just about every day, Jesus tells believers that they shall do the same things he did and even greater. I'll leave it to you to think about all he did. You are supposed to be doing those things, in him.

In John 16:23 we read how God will give us whatever we ask of him in Jesus' name. Astounding. "In Jesus' name" is important there, of course, for whatever you ask must agree with who Jesus is and his plans for your life.

There is much more that can be said on this subject. It is all included in a new CD announced in this newsletter, ***YOUR AUTHORITY IN CHRIST !***, one of three new CD's presented on the next page, and I encourage you to get it and indeed all three.

The point is that if we are to live healthy and victorious lives in these very difficult times, we need to realize and act on who we are in Jesus Christ.

AN IMPORTANT AND SIMPLE REQUEST

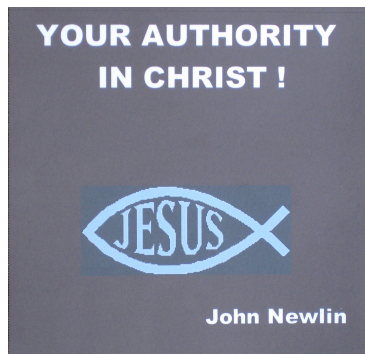

This is a time of financial difficulty for many people. The economy of the US and the world is not strong. But God's economy is. Over and over he encourages people to give to him. How do you do that? By giving to ministries such as ours or to other places where you see God moving. This ministry has an amazing reach considering the level of funds we operate with. People's lives are changed forever when they come to know Jesus, when they grow in depth of knowledge of all he did and start applying that to their lives. That's where other changes come in, like physical healing. Imagine how many we could reach and the lives we could change with an increase in funds available. I know people like to give for physical results, such as building a homeless shelter, or a clinic, or a new school. But I am talking about saving people's lives and eternal souls. I am talking about healing their bodies and very beings, creating victorious overcoming lives. We are not messing around here. We are in a battle until the end, and time is running out. Can you not help us reach more? So many do not know the truth of Jesus or anything about all he did for us. And they most assuredly do not know he is returning soon. Please consider becoming a ministry contributing partner of any amount. The promises of blessings are real and true. So too our gratitude.

THREE IMPORTANT NEW CD's YOU SHOULD HAVE:

YOUR AUTHORITY IN CHRIST!

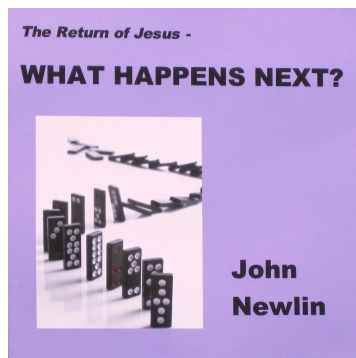

"My people are destroyed for lack of knowledge." - Hosea 4:6

How are we to live healthy and victorious lives in this difficult time in which we find ourselves? First, we need to know Jesus and to keep our eyes on him. Next? We need to know all he has done for us and what our authority is in him. Believers in Jesus Christ are God's workmanship, created in advance in Christ Jesus to do good works which he prepared in advance for us to do. If you are such a believer, God chose you before the foundation of the world. He predestined you to be adopted in Jesus Christ as his child. Do you know all that? This CD reveals the astounding facts of who you are in Christ and the extraordinary authority you have in him.

Don't be destroyed by lack of knowledge.

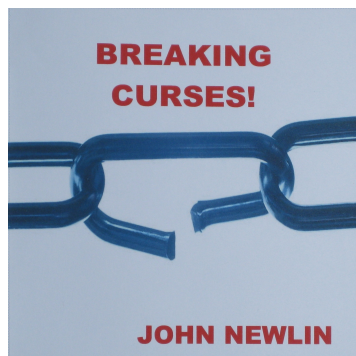

WHAT HAPPENS NEXT?

Great prophecies have been fulfilled. "Be alert," Jesus warns, so we might be able to escape all that is about to happen. When his disciples ask about his return, Jesus warns about deception. We live in a time of rampant deception. Paul, speaking of Jesus' return, says that will not happen until a falling away from God occurs and the antichrist is revealed. One characteristic of our age is a falling away from God. We are right there at the brink – coming soon the signing of the prophesied peace agreement with Israel and the revealing of the antichrist, the rapture of the saints, the seven year tribulation period, the attack on Israel, the long prophesied abomination in the temple, and Jesus' victory at Armageddon - all covered on this CD,

with clear guidance how you can identify the antichrist. Do not live in ignorance of the key events of your time. Above all, be alert.

BREAKING CURSES!

"My people are destroyed for lack of knowledge." - Hosea 4:6

Yes, curses are real. So many people go through their lives never understanding why nothing they try ever works out, why all the men in their family die young, why all the women have diabetes, or why countless other such terrible things keep happening. You don't have to be one of these people. You see, one of Jesus' great gifts, along with spiritual salvation and divine healing and more, was his becoming a curse for us on the cross so we might be free from these curses. Experience the great freedom that comes with realizing and receiving this great gift.
