THE RETURN OF JESUS – COUNTDOWN REPORT # 3

John Newlin Ministries, Inc.
- realizing the power of a life in Christ-

TAKING CARE OF EVERYTHING

Jesus took care of everything that separated people from God.

IT IS FINISHED, he said in his last words on the cross as recorded in the book of John. FINISHED. He had done it all, everything. He had paid the price for our sins and earned our forgiveness, overcome the world, overcome evil, overcome sickness and disease and pain, freed us from the curses of the law, taken our unrighteousness so that we might be the righteousness of God in him, become poor so that we might be rich, taken our shame and regret so we might be free of those, reintroduced the kingdom of God on earth, set us up in him to cast out demons and heal the sick and do the same things he did on earth and more, and.....well, we could just keep going..

Everything. You took care of everything, Lord. YOU DID IT! YOU DID IT, LORD!

Yes, he did. Are you grateful for what he did? Do you tell him? Do you acknowledge what he did?

Without Jesus we are lost. We are toast. We are done for. We have no hope at all.

But we do have Jesus! He did all written above and more.

And he is coming back very, very soon.

Your celebration at Easter should focus on Jesus and his return. That is all that matters, that and whether those around you know Jesus.

A Startling and Confirming Word from God!

Earlier this year I received a telephone call from a friend of the ministry who lives in another state quite a distance away. She called to relate something that had happened to her early in the morning this past Christmas Day. Our friend made the point strongly more than once that she was supposed to share this with me. In other words, God had given her this experience and had guided her to tell me about it. She then went on to say I was free to do with it whatever I wished.

I have prayed about this and have shared it with a few since then. Now I pass it on to all our partners and friends. With all that is going on, you need to be aware of God's messages to his people. They are coming in a variety of ways these days.

This is the account as I was told:

At about 5 AM on Christmas morning there was a strong presence of God in the bedroom. It was almost like daylight. Suddenly I (our friend) wasn't there. Whether I actually left the room or not I do not know.

I was not alone. Now I was in a place of darkness, and it all became like the beginning of time. I saw an orb (which later it is clear is the earth). On the equator there appeared lights of a golden color. I was told the lights were sons of God and of men.

The lights began to move – one would go up from the equator to the North Pole while the next one would go down to the South Pole. Then they would reverse and so on, going back and forth. They began to cover the entire orb. Then they began to go latitudinally in the same way and covered the entire earth.

Then I heard: “It is finished. The word of God has reached everywhere. It has even reached Afghanistan.”

And I was back in bed again. It was all so vivid and I was so comforted.

All of you know that Jesus has pressed me to tell everyone who he is and that he is coming soon. Our ministry has focused ever more on that. So my reaction on hearing this amazing vision and the fact that she had been guided to tell me is that it all enforces the fact that he is soon to be here. It is an encouragement to me to keep going and to keep telling people about the return.

Remember, Jesus in Matthew 24:14 makes this statement: “And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.”

That is the clear message of the vision, or experience, our ministry friend had. The word of God has reached everywhere. Matthew 24:14 has been fulfilled. Wow! Time for us all to cheer.

So I close with Jesus' own words from Luke 21:26: “Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.”

The Lord is coming very soon. He could come while you are reading this. Nothing has to happen before he calls out his Church.

This program will provide an opportunity to focus specifically on scripture, Biblical prophecy, and actual current happenings that relate to prophesied events regarding Christ's return. We are living in exceptional times, and I encourage you to consider participating.

IN THESE EXTRAORDINARY DAYS, DON'T MISS OUR SIGNS OF THE TIMES ALERTS – BY EMAIL, THE WEB SITE, THE BLOG

Two weeks ago we sent out by email a Signs of the Times Alert with amazing items relating to the imminent return of Jesus. There was information about the Japan earthquake, about deception on television, about a new video from Iran to the Muslim world that presents their Muslim prophecies of events about to happen (thereby showing us what they might base their actions on), and more. Things are moving very fast now. You need to see the information that was included in this email and others that go out similarly. About 60 % of those on our newsletter mail list receive these alerts by email. If you would like to be added to that email list, please send us your email address (call, leave a message, send in on the coupon accompanying the monthly newsletter, or send us an email).

We do post some of these Signs of the Times articles on the web site and also on my blog, which can be reached by clicking on John's Blog in the menu column. If you have not read the last one, titled **A Signs of the Times Alert!: Amazing Events in the Countdown to the Return**, please do. If you would like a copy mailed to you, please just request that.

AND PLEASE,

Consider becoming a regular contributor to the ministry and help us get these amazing truths of who Jesus is, what he did, and his imminent return out to more and more.

It takes a great deal of money to produce and broadcast our television program, ***DARE TO BELIEVE!***, but such broadcasts are a great way to reach large numbers of people. You may not be aware, but we have to buy the air time where we are broadcast. That is not free, and the stations do not pay us. It also takes funds to travel and hold meetings, to promote the meetings, to send free teaching newsletters to all who ask, to produce and distribute teaching CDs, and to have a web site with teaching videos.

Help us, please. It is largely through people like you receiving this letter that Jesus provides for his work on earth.

May you live in the blessings of God always!

John

REMEMBER, *DARE TO BELIEVE!* IS NOW BEING BROADCAST IN CHARLOTTE AND SOUTHWEST NC/NORTHWEST SC EVERY TUESDAY AT 6:30 AM

The program is being broadcast every Tuesday morning at 6:30 AM in Charlotte and a large surrounding area over station WJZY-TV (channel 8 on most cable channels, channel 46 over the air, channels 46 or 927 on satellite, and other numbers on some cable outlets). Please pass this information on to anyone you know who lives in this large metropolitan area and surrounding communities. Help us get the truths of who Jesus is and that he is returning soon out to more and more.
