WONDERFUL MIRACLE!: FULFILLMENT OF JESUS' WORDS IN DIFFICULT TIMES

Very late Friday afternoon after hours of the tropical storm Hermine blowing and torrential rains that brought many inches of water, there was a break in the storm. I walked up to our top deck to see what was happening. As I looked back over our roof, I saw halfway down the left side a spot where the shingles were raised up at one point and sunken down at another! It was a real shock! This was serious. With the shingles lifting up and sinking down, and with the forecast of many more hours of torrential heavy rain from Hermine, this posed a real threat to the house.

We had looked and now looked again at the latest meteorological data. There was an enormous area of serious storm activity – red and orange colors – just below where we live. The forecast was for that to be over our house beginning soon and continuing for several hours until eleven pm or so, and then a similar cell was to arrive and dump water through the wee morning hours. The reality of this began to sink in. If the roof in the area seen had moved that much so far, what might happen during those deluges and winds?

Cathy and I prayed and spoke to the storm. We recalled John 14:12-14, and reminded the Lord of that - how he said we can do the same things he did, even greater, because he has gone to be with the Father. Of course, he did not need reminding! We needed to remind ourselves and hear ourselves claim this, to get it deep in our hearts. He said we can ask him for anything in his name and he will do it to bring glory to the Father. And he also told us in John 16:23 that God the Father will give us whatever we ask him in his name.

So we spoke all that, and very boldly. We prayed according to those verses. All about protecting our house, our home, and the area where we are. And we spoke in authority in his name to the storm, ordering it to diminish, to go away, to go out to sea. It was a loud and strong and intense time of prayer and speaking in Jesus' authority.

And the minutes passed. There was no rain. The wind was not strong, maybe ten miles an hour. I went back onto the deck several times.

The time arrived when that powerful large strong cell was to be over us. Nothing. It was quiet. Nothing. An hour went by. Nothing. Another hour. Nothing.

I looked at the latest weather map. Miraculously, somehow that large cell which had been directly below us and was moving straight toward us was now not there. Only in the distance were some areas of light rain indicated in green. No more of the harsh dangerous rain and wind of Hermine. It just wasn't there. We marveled. We thanked God. We prayed.

Through the wee hours of the morning nothing ever came. No more wind or rain of any strength. Nothing. Hermine had left the area of our house six to ten hours early.

Keep Your Eyes on Jesus!

Saturday I telephoned one of my neighbors. While speaking with him he mentioned the previous evening about six pm. He said he looked at the latest weather map on the weather site. The center of the storm Hermine was shown to be exactly over us, over where we were. He said he then looked outside. Calm. Quiet. Nothing.

The Lord said we can do the same things he did, even greater. All in his name of course. We can. But we have to be serious about it. Really serious. We had been. Praise God.

WHERE WE ARE RIGHT NOW! TUMULTUOUS TIMES

We are in September before a dramatic fall national election. Events continue to transpire at a rapid rate in alignment with various prophecies connected to the return of the Lord.

The great warning from Jesus, the first words he said when asked about signs of the end of the age, the time in which we are living, was *“Watch out that no one deceives you.”* (Matthew 24:4). We are living in the midst of massive deception in all areas of society and in leaders as well as ordinary citizens.

And the great line from 2 Corinthians 4:4 that *the god of this world [the devil] has blinded the minds of unbelievers* is so very obvious. We have unbelievers in high positions.

The 2 Thessalonians 2:3 scripture that the Day of the Lord will not begin until there is a great falling away is also fully in force. No nation could have fallen more rapidly away from God than the US has.

So just keep all this in mind as you go through these next weeks, months, and years. Jesus is coming very soon. I have it on good authority. His. When exactly of course I do not know. But I do know we are living in the time of his coming. There are countless prophecies and guides in scripture that have been fulfilled in these days. Jesus expected us to know. He gave us these strong words about the timing in Luke 12:

⁵⁴And he said also to the people, When ye see a cloud rise out of the west, straightway ye say, There cometh a shower; and so it is.⁵⁵And when ye see the south wind blow, ye say, There will be heat; and it cometh to pass.⁵⁶Ye hypocrites, ye can discern the face of the sky and of the earth; but how is it that ye do not discern this time?

Why don't most Americans know? I ask you that. Why? All those scriptures above about deception, falling away from God, blinded minds are surely part of the answer. Another part is that so many Americans do not know Jesus, have not read and do not know the Bible, have not been born anew. Still another is that so many churches and pastors do not teach about the return, just as they do not teach other essential parts of the gospel message such as the reality of the Holy Spirit, the gifts of the Spirit, and more.

I have said before and I say again: If you are in a church that does not teach the return, ask the pastor why. If you are in a church that does not teach about being born again, or about being filled with and baptized with the Holy Spirit, ask the pastor why. And if you are in a church that does not teach that divine healing and miracles are real and for today, ask the pastor why. And unless you see a change very, very soon, ask yourself why you are there.

We are talking about your eternal life, your future, the type of existence you will have. And not only yours but that of your family and friends.

These days we are living in promise to be difficult and hard. We have a lost group of human beings ruling the countries of the world. There is an enormous move publicly and also behind the scenes by powerful individuals and forces to put together that dreaded one-world government. All sorts of bad and harmful decisions – harmful to the rights and safety of individual human beings – have been taken and are being taken. I encourage you to read our materials about the return on the web site, watch our videos, listen to our CDs. I encourage you to read and study the relevant sections of the Bible.

WARNINGS TO PREPARE GIVEN BY GOVERNMENTS

In the last couple weeks Germany warned its citizens to put together water for ten days and food for five days, the idea being there might be a time the government could not help them. Czechoslovakia warned its citizens to prepare for the worst. You can find these warnings in the press on the Internet. Back in June the American leader gave a similar warning, although I expect most thought he was speaking then of hurricanes. Why such warnings now? Impending major terrorist attacks? Who knows. Possibly a coming military conflict? I understand that much of Russia has recently been on high military alert. Perhaps there is something else we are not aware of.

Another possibility – the recent vote by those in the United Kingdom to separate from the European Union was a great shock to the one-world people and a real roadblock in their plans. I expect they are greatly concerned about just what direction the US might take in this upcoming election. I do not believe this is politics or election as usual in the US, and I think we all need to be alert as to what might be coming.

IRAN'S SPECIAL ARMY FORMED TO ERADICATE ISRAEL

Iranian Gen. (ret.) Mohammad Ali Falaki just revealed that Iran has formed a "Shiite Liberation Army" that is fighting on three fronts and has the objective of eradicating Israel after twenty-three years. (from *Al-Arabiya* and the *Daily Alert*). I'm not sure what the timing of the twenty-three years comment is. Iran is one of the key nations involved in the Ezekiel 38-39 attack on Israel.

And here we continue to live in a world whose leaders ignore such threats. Hitler told the world what he was going to do, and then he did it. The leader of ISIS has told the world how their goal is muslim dominion over the earth, and they are working for that. Here a past leader of the Iranian military states their goal is to eradicate Israel.

ISIS FORCE IN SINAI

According to *Israel Today*, ISIS has built up a sizeable force in the Sinai, and Israel expects this force to turn against Israel.

PREPARATION FOR BUILDING THE NEW TEMPLE IN JERUSALEM

The reestablishment of the temple is something to be accomplished before the mid-point of the tribulation, for the anti-christ then establishes in the temple an abomination that causes desolation (Daniel 9:27). There are detailed plans for this temple development. God himself gave Ezekiel specifics of this temple design. The Temple Institute and others in Israel have been working toward this goal. All furniture and implements have been developed. The Temple Institute has been training priests to fulfill the needed roles, including handling the red heifer. There has been discussion in Israel lately of this temple being built in the next year. With modern building techniques, it could of course be built now or during the first half of the tribulation period.

GREAT SANHEDRIN APPOINTS NEW HIGH PRIEST!

The Great Sanhedrin of Israel has appointed Israel's first High Priest in almost 2000 years! This Great Sanhedrin went out of existence hundreds of years ago. There were attempts over the years to revive it, and that has recently been done. And now this appointing of the High Priest. This Sanhedrin selected Rabbi Baruch Kahane as the next Kohen Gadol (high priest).

Now, all believers in Jesus know that Jesus was and is the once and only sacrifice for us. There is no need for further sacrifices. But most Jews don't know that. Remember, they too are still in the dark.

BIZARRE AND UNUSUAL SOUNDS FROM THE SKY

Earlier this year in January in many spots on earth strange sounds were reported heard by citizens. From New Jersey to Dubai to Norway to Morocco to the Netherlands to Alberta, Canada and so on. In some places like New Jersey the sounds were loud bangs, or explosions. In others the sounds were clearly like a giant trumpet, or horn

being played. Now this is not unique to this month or year. In recent past years such sounds have been reported in several locations on earth. I'm not explaining it here, just noting it. Once a few years ago while sitting in my chair upstairs reading and praying, suddenly there was a giant blare of a horn that surely sounded like a trumpet or shofar. I even got up and looked throughout the neighborhood, but nothing there.

My thoughts on all this are that as we get ever closer to the end times, the spiritual realm and the physical are very close together. Imagine the conflict that must be going on in the spiritual realm, the battles between God's angels and the devil's forces. If you are spiritually sensitive, if you have been born again and filled with and baptized with the Holy Spirit, you are more sensitive to things of the spiritual world; as Jesus' return approaches, you may hear and see and realize more things in that realm than in the past.

Just a comment – Josephus, the great historian on antiquity, who was with the Roman army in the siege on Jerusalem in 70 AD and the final destruction of the temple and Jerusalem then, reported seeing chariots and soldiers running about among the clouds at that time. Seeing and hearing spiritual/physical wonders is a very real thing. We recently sent to our email list a sign in the heavens photographed by one of our partners.

Yes, the return of Jesus is imminent. Yes, he is coming to collect his believers. Yes, the anti-christ is soon to be revealed. Yes, the tribulation is soon to begin. Yes, yes, yes. A Christian revival in these last days or even in the tribulation period will be wonderful. But that does not mean the Lord is not coming soon. He is.

Be always on the watch, and pray that you may be able to escape all that is about to happen, and that you may be able to stand before the Son of Man.” (Luke 21:36 NIV)
