GET OUT OF PLACES NOT TEACHING GOD'S TRUTH

I write a lot about the truths of the power gospel of the Lord Jesus Christ. I write about how he said those who believe will do the same things he did and more. And so I write about Jesus himself and his imminent return, about the Holy Spirit, about divine healing, about casting out demons, about the authority of the believers, and more.

And I have written at times about the true CHURCH of Jesus. That is all those who truly believe in him, regardless of whether they are a member of any particular church organization. They are those whom Jesus is coming to collect.

And you have seen me decry so many of our modern denominational churches that do not preach the full power gospel, do not preach the Holy Spirit and the gifts of the Spirit, believe miracles and healings stopped with the disciples, and believe the modern church replaced Israel. You even at times see them taking action against Israel! Most all do not preach the imminent return of Jesus as well.

So what of these denominations that believe the false things or just ignore the full gospel? Basically, the denominations that are members of the National Council of Churches are the primary culprits. They have much to answer for. Now yes I have seen rural churches in some of these denominations preaching the things the denomination does not believe in. But the large churches in the cities and towns? Hardly.

A friend of mine in Tulsa says churches there are not preaching the return of Jesus. Can you believe that? Even there, where the people had the great blessing of the ministries of T L Osborne, Kenneth Hagen, Oral Roberts, and more. Even there these churches have gone cold.

I do not know why the ministers do not preach the full gospel. Possibly it is because they must stick to the denomination line to be paid and they have families to support. Possibly. I don't think that will count for much with God. Possibly also they just don't know the full power gospel of Jesus.

Those of you who sit blindly in these churches need to think about what you are doing. It is way past time for you to just go and sit on Sunday like a lump of wood. You are responsible for what you do and know. How are you going to answer the Lord when he asks why you were in such a place that so did not follow him?

TAKE STEPS FOR THE FUTURE OF OTHERS NOW

(for the people you care for and know)

The hour has come for you to wake up from your slumber, because our salvation is nearer now than when we first believed. The night is nearly over; the day is almost here. – Romans 13:11-12

We are living in the very last of the last days. No one as far as I know truly knows the day and the hour, but we do know the season as Jesus said we could. And this is it. So sometime between now and a few years from now, the Lord is coming to collect his CHURCH, that body of true believers in him.

You and I have many relatives, friends, neighbors, co-workers, and other acquaintances who quite apparently are not in a position to go with him when he returns. With time so short, what are you going to do about that? How are you going to respond when the Lord asks you what you did about that?

Some people receiving our newsletter copy it and hand it to others. Some send our email publications on to others. Still others actually include the newsletter or the other publications as part of their own publications. Well, that is all good.

One of our partners for years has sent some of our key teaching CDs to people she knows throughout the country. Several of our CDs are perfect for telling people who Jesus is and making the point that he is returning to earth very soon, likely within their lifetime. So why not you? Please consider this great source of information and revelation to most. Of our 26 teaching CDs, here are ten that specifically fit the bill:

Specifically about Jesus

- *WHAT DID JESUS DO – PARTS ONE, TWO, and THREE*
- *YOUR AUTHORITY IN CHRIST*
- *JUST HOW DOES ANYONE EVER GET INTO HEAVEN*

Specifically about Jesus' imminent return

- *PROPHECIES FULFILLED*
- *THE IMPORTANCE OF ISRAEL*
- *COMING IN THE CLOUDS*
- *WHAT HAPPENS NEXT?*
- *WHERE ARE THEY?*

What a gift for you to send to others! An effort to save someone you care about! You can read a description of each of these on our web site in the CD/DVD section. You can request these over our web site, by telephone, and by mail. We always ask for a contribution, and suggest \$7 per CD. You can use PAYPAL or any popular credit card. And as always if a person cannot make a contribution, we will give one for no donation.

(Lest you think this is a big money-maker for the ministry, let me point out that half our CDs have been distributed throughout the world for no donation at all.)

ACT TO PROTECT YOURSELF

Our last newsletter contained invaluable advice to all about protecting yourself in these dark last days. Read it again now if you have forgotten. It is on the web site. That newsletter presented much of what God has given us to protect ourselves in these days. Any believer needs this. And especially any believer who is stepping out for the Lord, for it is apparent the evil one is boldly attacking such people in a variety of ways, and not just once in a while.

I mentioned in the December newsletter that on November 8, election day, while in prayer God warned us to prepare for war. He elaborated on that, but that warning is key. And that warning has become so very real to Cathy and me.

Even though we are aware of how to apply the protections God has given us and certainly are ultimately victorious, that doesn't mean we are not going to be in real battles. This is true for all of you just as it is for Cathy and me. Look at all that has happened in our ministry in the last two months. Some of this was noted in the last newsletter, but now there is amazingly even more:

- The day before the election on November 8 the ministry web site mysteriously disappeared from the Internet, along with all our ministry emails! All technical communication cut off (Now working thank God!).
- A few days later Google sent a warning regarding our blog. The European Union was requiring a statement from our ministry on the blog regarding "cookies" we collect. We of course don't collect any cookies (data specific to the computer user). Google said it had added a statement to our blog about the cookies it collects. This is Big Brother in the extreme, a step of control. We have many INTERNET readers in various countries in Europe.
- In mid-November I sent an important letter by USPS to several people. The letter never arrived at two key addresses!
- The weekend before Christmas while visiting my sister suddenly at 5 am I was instantly hit with a violent physical attack. Without going into unpleasant details, it was terrible. Cathy prayed and took action based on the scriptures. My sister prayed. Several prayer warriors prayed. Maybe it was some kind of serious food poisoning. Maybe. I still am regaining my strength.
- Then on January 2 we received an email from a new ministry contact who had just requested through Paypal 6 of our CDs on several subjects. He had sent his request to us early in December but it had only come to our attention near the end of December! We quickly sent him the CDs in the usual packaging. On January 2 he reported the package had arrived totally destroyed. The CDS were broken in half or otherwise damaged. Never have we had a problem with the delivery of our CDs before. Well, our ministry name is on the box. I think you can see who destroyed that box.

Be sure to take the steps we described in the previous newsletter. If you would like detailed teaching on that and more, request our *FIGHTING EVIL* CD and also watch the four television videos on this subject on our web site. We all do have the ability to protect ourselves in Christ Jesus.
