## DO YOU REALLY BELIEVE THE BIBLE? DO YOU REALLY BELIEVE JESUS?

In general, this is when people receive from God – when they realize the Bible’s words are all true and they put themselves in a position to receive. They are in a right relationship with God.

For example, when we really started seeing wonderful healings was when we truly realized that indeed the Bible’s words on healing were absolutely true and we acted on them. Jesus really did take upon himself all our sicknesses and diseases and pains, along with all our sins, and by his stripes we are healed and made whole. He really and truly did it. God is the god who heals us. He forgives all our sins and heals all our diseases. In fact he has already done it. It is a done deal. The very words of the Bible are life to us and health, medicine to our whole body. True. True.

Believing God. Believing his word. You’ve got to truly believe God’s words deep down in your heart. You have to know, know, know they are true. Way beyond superficial intellectual knowledge. So deep that the first thing you think of in any situation is to apply God’s appropriate words to that situation.

That is why I have started so many programs saying God is real, Jesus is real, the Holy Spirit is real, the Bible is true, angels are real, and so too are the devil and demons. All real. If you believe that you’ll probably see miracles in your life. If you don’t you likely never will.

Faith. Belief.

It's all about believing God. All the words. Not just a verse here or there that you pick out.

Most people love and think they believe the words of John 3:16 – For God so loved the world that he gave his only son that whosoever believes in him shall not die but shall have everlasting life.

Who said John 3:16? Oh, Jesus. Jesus said that. Do you know what else he said?

Things like you are my friends if you do what I command (John 15:14).

And those who believe will do the same things I have been doing. Even greater, because I am going to be with the Father. I will do whatever you ask in my name, so that the Father may be glorified. If you ask anything in my name I will do it. (John 14:12-14)

Jesus also said his father will give you anything you ask him in Jesus' name (John 16:23).

Pretty bold promises, right? But he said them. Blank checks. All of course **in his name**, consistent with who he is.

Jesus said all that. Do you believe it? Do you want to see miracles in your life?

Are you aware of the incredible authority Jesus gave his believers? We even have a CD and several television programs on the website on that – *The Authority of the Believer*.

You can do all those things if you truly have faith, if you truly believe, if you are in the right relationship with God. That word believe? In the original Greek of the New Testament that is *pisteuo*. That means absolute belief, not the kind of belief we hear people say today such as I believe it is going to rain, or I believe I will do this or that, or I believe I may have hurt my foot, and so on.

No, absolute belief, as if your life depends on it, because it does. *Pisteuo*. Belief. Like you believe there is enough oxygen in the room in which you are right now to keep you alive, or else you would be running out. Absolute belief.

How's your faith? How deep is your belief?

Have you heard people say I know because I know because I know? Deep inside. Absolute knowledge. That's the way we all should know about all the Lord's words. His statements to us.

It is time for us to move to a higher level in life, to live in the fullest of the Lord's promises and statements and commands. It is time. These are difficult days. He is returning soon. Very soon.

Do you believe the Bible?

Do you believe Jesus?

Your life depends on the answer.

## **NEW WEBSITE RETURN OF JESUS RESOURCE PAGE!**

Go to the new RETURN OF JESUS RESOURCE PAGE on our ministry website. Just click on that in the menu column. Numerous ministry resources regarding the Lord's imminent return are grouped there on one web page! It is a great source to refer to others as well as to use yourself!

## **AMAZING: WATCH WHAT IS HAPPENING NOW! BE ALERT!**

The carrying out of the steps of the last days is all around us. Stay alert, as Jesus warned. These are amazing times. From terrible anti-God actions of some government, entertainment, church, and other organizations to physical events. Look at the Middle East:

The atrocious Iran nuclear deal – crumbling, the source of great tension among the nations. The US President just met with the heads of France and Germany, and the Iran deal was quite apparently the focus. Now the President of the US has announced the US is pulling away from that agreement and again implementing severe sanctions against the Iranian regime. Iran of course is issuing great threats.

Russia and Turkey and Iran almost daily seem to move ever closer together; these are the primary allies of Ezekiel 38 and 39 that are to attack Israel in the war described there.

Syria plunges ever further into collapse, and we all wonder how long can Damascus escape the words of Isaiah 17:1 – its total destruction.

All this, and May 14 is the 70<sup>th</sup> anniversary of the founding of the new physical nation of Israel, the event in 1948 that fulfilled so many prophetic words of the Bible! The 70<sup>th</sup> anniversary! (The nation of Israel formally began its existence on May 15, 1948, at 12:00 midnight Palestine time (6:00 p.m., May 14, 1948, Eastern Standard time).

And then, for you and us, our new book **WAKE UP AMERICA! - JESUS IS COMING SOON**, the book God called me to write in 1993 that has finally been written and published and is now available in Kindle form, will have been printed and be available in print about May 14 or 15. Astounding. Amazing. God. Jesus is coming soon, really soon, dear friends. Really, really soon. Are you paying attention?

Get the book. Read it. Get it to all others you have any influence with. Believers must wake up and, as Jesus advised, be alert so they may be accounted worthy to escape all that is about to happen.

And nonbelievers? They have no hope unless somehow they come in these last days to a saving knowledge of Jesus and accept him as their Lord. Without Jesus, no hope for anyone – not for your children, or grandchildren, or spouse, or parents, or friends, or neighbors. No hope for anyone without the Lord. Good works and church attendance by themselves do not get a person into heaven.

You know what you can do to help. So do it. Pray. Ask the Lord to help you get the word to those around you in your life, regardless of where they live. Ask the Holy Spirit to guide you, to set up divine appointments. Ask the Father to guide specific people you name to Jesus.

May God have mercy on our souls if we do not do all we are called to do for the Lord in these last days.

***May you live in the blessings of God always.***
