THE IMMINENT RETURN OF JESUS

MARCH 2 9:30 – 1:00
SPRINGHILL SUITES, 1014 ASHES DRIVE
(the Mayfaire area - off Sir Tyler Drive)
WILMINGTON, NC

You can't afford to miss this. We are living in the very days of the return of Jesus that has been so long anticipated. I will be teaching on this most important subject of our time. Years ago the Lord directly told me to tell people who he is and that he is coming soon. Later he made it clear that the return is my message now. For years the Lord has given me more guidance, revelation, and insight on this subject, and I will share some of that and more. The time is soon. It is way past time for America and the world to WAKE UP!

A MESSAGE TO GOD'S PEOPLE IN THIS DIFFICULT TIME (TRUTHS TO KEEP IN MIND)

For this is the message we heard from the beginning: We should love one another. – 1 John 3:11

Anyone who does not do what is right is not God's child, nor is anyone who does not love their brother and sister. - 1 John 3:10

And this is his (God's) command: to believe in the name of his Son, Jesus Christ, and to love one another as he commanded us. The one who keeps God's commands lives in him, and he in them. And this is how we know that he lives in us: We know it by the Spirit he gave us. – 1 John 3:23-24

Do not be surprised, my brothers and sisters, if the world hates you. We know that we have passed from death to life, because we love each other. – 1 John 3:13-14

“Not everyone who says to me (Jesus), ‘Lord, Lord,’ will enter the kingdom of heaven, but only the one who does the will of my Father who is in heaven. – Matthew 7:21

There is an enormous battle going on right now between good and evil, between the forces of God and the forces of the devil, as we move closer and closer to Jesus’ return. We all who know the Lord and have the gifts of the Spirit know that. We discern the spiritual heaviness in the air, the effect of that great battle pouring over into our world. Sometimes that heaviness is almost too much to bear. And of course we see the results as large numbers of lost people act under the guidance of the evil forces to attack and destroy all that is good, all that is of God.

It is heart-wrenching to watch basic fundamental principles of our lives and nation torn asunder by people who are blinded to the truth, who do not know the light, and who proceed viciously to tear down laws, the Constitution, anything of God, any and all believers. But still you and I know the truth and we must keep our eyes on Jesus in all this.

This time we live in will no doubt continue to become ever more difficult. But then soon Jesus will come. He will take away his true believers. And God’s judgement will be poured out on a sinful and lost world and its lost organizations and people.

WHAT ARE YOU GOING TO SAY?

How are you going to answer Jesus if he asks you someday what you did to get the truths of the gospel message - the need to be born anew, to have Jesus as one’s Lord, to be ready for his return that is imminent - out to other people?

It is so much easier in society just to get along with everyone and not bring up the truths of Jesus and of his imminent return. So much easier. That’s the approach taken by so many churches today – just don’t talk about the return, about the need – even requirement – to be born again in order to be in God’s Kingdom, about other key truths such as the reality of the Holy Spirit and the gifts of the Spirit, the reality that healings and miracles are for today.

When the Lord soon returns, he will gather and take with him his true believers. Already he has told us it will be a few. I looked up the original Greek of the New Testament. The word translated few means few. Now, that may still be millions hopefully, but as a percentage of the population, it will be a few. And if more people don’t really hear the truths of God and come to accept Jesus as Lord, it can’t increase from the size it is now!

People need to hear the truths. Then they can decide for themselves, and if they fail to realize who Jesus is and to make him their Lord, well, they have at least heard the truth. Sometimes when I have been talking to a group and telling them the truths of the gospel and Jesus' return, about all the healings and miracles he has done through our ministry, the truths about the Holy Spirit, and so much more, I will end by saying "Well, now you've heard. You can't ever say you haven't heard all this. So now you have to decide for yourself. It is up to you."

Sometimes people will say to me about the various diverse people they encounter every day that they surely have heard about Jesus. There are churches everywhere. But my response is this: No, not all of them have. Many haven't ever truly heard the truth from someone who knows Jesus is real and true and alive today, that the Bible is true, that God's promises are true and work in this life right now. They likely have never seen God move to touch people, to heal them. So if they are ever going to hear, it may be up to you, a true believer, to tell them in loving, kind, but no uncertain terms. God has put them in your path.

The best advice I have is to ask the Holy Spirit to guide you, to arrange divine encounter moments, to set it up, to give you the words. And maybe for some people who are so difficult you might give a book – our WAKE UP AMERICA! book is a great one to do that with. They can then read in the privacy of their own home, even if they don't open it for months. Hopefully, though, they open it soon. No one knows just how imminent that return is, although to be sure it is soon.

THE VITAL NEED TO GIVE COPIES OF WAKE UP AMERICA! TO OTHERS IN YOUR LIFE!

Don't you think it is time to give copies to those you care for - your family, your friends, your neighbors, your co-workers, your small group? So many don't know anything about how close we are to the return of the Lord! Help wake them up! Jesus did not tell me to write this book so long ago and then bring it all the way through publication at this time for no reason. It is here to inform all those who would read it about where we are in time, what is coming very soon, what happens next, what it takes to go with Jesus when he comes, and what all should be doing right now.
