PROPHETIC WORDS FROM THE LORD

Most of you know because I have told you several times that back in 2005 while I was preaching to a group the Lord Jesus spoke clearly to me and said "John, tell them who I am and that I am coming soon."

That was dramatic. Somehow I was able to finish the message. We had as you know been telling people who Jesus is and what he did, focusing on the full power gospel. Now we continued with that but began more and more speaking and writing on the Lord's imminent return.

Way back in 1993 he had asked me to write the book WAKE UP AMERICA. I had tried and even had an agent in New York City shop it around with publishers trying to get it published. But it just wasn't the right book. It wasn't the right time. Over the years since periodically I thought of this. Then about a year and a half ago it came up again and I was able to write it. Well, there had been years of revelation of Jesus and the return, and it now was the right time. The book came out from the printers the very week Israel was celebrating its seventieth anniversary. Why is this the right time for the book? Because we are in the last of the last days. Jesus' return is imminent. This is the season.

As we go through this season I intend from time to time to share more of the actual revelations the Lord has given me directly regarding his return. Many I have kept to myself over the years. I do sense now is the time to share more of these. Just some of his words, certainly not all. Some of you may have heard me say a few of these in the past.

A really meaningful word to me way back was when he said:

*"I am looking for my body
I am seeking my body.
Help me find it."*

and these marvelous and heavy words:

*"I am coming soon.
I am coming for my church.
My church is not of bricks and mortar.
My church is not choirs and fine robes.
My church is those who have given themselves to me.
Help me find my church.
John, help me find my church."*

You might be able to imagine, perhaps, what it has been like and is like today to carry around such assignments every moment of every day. But they are wonderful assignments, and of course the focus of my life.

Those last words above have led me often to declare that Jesus' CHURCH is that collection of those who truly believe in him, whether they are sitting under a tree somewhere in Africa or cleaning the deck of a ship in the Pacific or studying in a college or working in an office or plowing a field or, yes, also perhaps sitting in a brick building church. Jesus' CHURCH is not brick buildings or choirs or fine robes or denominations or theology or doctrine. It is those people who truly believe in him. That's it. That's all.

Let's look at a couple more words from the Lord to me about his return:

*"Tell them I am coming.
Tell them who I am.
Tell them it is over.
There is no tomorrow.
When I come it will be different."*

That's pretty clear, isn't it? Well, I have told them. But I don't know how many can hear that truth.

And then:

*"John, the world is coming to an end.
Do not let people go into the night."*

I'm trying, Lord, still trying.

And you might be interested in these unique words from several years ago:

*"The time is coming,
Indeed it is already here,
When people will not want to hear your words."*

I have certainly seen and experienced that in action! That is a lot like the time the Lord said I was like Isaiah. Remember, he told Isaiah the people would not hear his words. Indeed, I think the time is already here. People do not want to hear some things even if they are true, even if they are their future. Even if they are from God, which these words in quotes are.

Then:

*"I have told you, have I not, what is to come.
I am coming soon.
Let no one tell you otherwise.
You know, so tell them.
It will be like a beacon
Like a dagger
A moment
Suddenly
No light surprise."*

That makes it pretty clear, doesn't it? The Lord has a way with words.

Back in 2012 in a dream I saw myself saying to people the Lord has brought around us over the years: "Please come, help us, the time is now." In August of 2017 the Lord made the point to us that *"I am bringing people to help you."* Maybe that is the response to that 2012 dream. Maybe some of you are those people he is bringing. Only you would know if he has that planned for you.

Then there was a dramatic word years ago I am still meditating on:

"There are four arsonists in the world.

You are one of them."

Well, a pastor in Nigeria I did not know said that God told him he has made my tongue fire and people wood. Haven't really seen that in total fulfillment yet, other than those being healed or hearing from God for the first time in our programs in the past.

Let's conclude with these words from the Lord:

"I am coming soon. I will have the sword with me. He who is with me will I glorify. Stand firm. Be with me. Walk with me. Live with me. Without me you can do nothing. I am the way, the truth, and the life. No one comes to the Father except through me. I long for my church. Do not let them slay you. Keep going. John, this is the end of this age, of all that has been prophesied. What you are teaching them is good. Teach them about the end."

Powerful words. He has been busy with that sword. We encounter over and over families where that sword has been active, separating members from each other. Well, he warned about that in the Bible, you know. He said it would happen. It is believers versus non-believers. Reality of our day.

Well, I think this is enough sharing for one newsletter. I hope I have shared words he wanted me to share, teachings he wanted given. I hope I have passed on the revelations about his imminent return and healing and the power of the gospel and the authority we have in Christ and so much more, all as he has wanted. I hope each one of you is open to the guidance of the Holy Spirit, to hearing yourself from the Lord, to seeking and learning just what he would have you involved in at this point in time. Right now above all it is the imminent return you all need to focus on, that and thus of course your relationship with the Lord....and that of those you know.

USE THE BOOK *WAKE UP AMERICA!* TO REACH OTHERS WHO DON'T KNOW JESUS OR ARE NOT AWARE OF HIS IMMINENT RETURN!

Giving this book to others is one way to reach those around you. Most people will take a book. They may read it later, but at least you will have a book in their hands!

"Whoever acknowledges me before others, I will also acknowledge before my Father in heaven. But whoever disowns me before others, I will disown before my Father in heaven." – Matthew 10:32-33 NIV - Standing up for Jesus, representing Jesus visibly in this current world may be increasingly more difficult and challenging, but it is also of extraordinary importance. And it is his clear guidance to all of us!
