*- realizing the power of a life in Christ-*

### **GOING FORWARD**

So we all are just going forward finishing out all that is to happen in these last days. So many things have happened. So many prophecies fulfilled. It's just time now, time until Jesus comes. That time is short. What is going on now?

**CONTINUED DETERIORATION OF OUR SOCIETY** – The Bible is clear on that. Jesus is clear on that. And we believers can see clearly all that is happening now. Just a steady fall in so many areas of life. We've written about this a great deal. It is all around us. We all should just continue to focus on Jesus, to keep our eyes on him, and to do all we can to help the Father draw others to Jesus. In all things at all times, as opportunity presents itself, we should stand up for Jesus. We should not let him be disparaged. We must acknowledge him before men, and he as he indeed said will acknowledge us before his Father.

**THE MOVE TO THE ONE-WORLD GOVERNMENT** – For some time now we have seen steps being taken by the UN, by the World Economic Forum, and the elite in the US and worldwide to move the world to the one-world government soon. As I wrote in the February 2022 newsletter, the UN has a target date for this of 2030. The World Economic forum is surely working toward that if not sooner. Certainly the antichrist will be in charge of that government, and likely of what precedes it. God will not allow that government to stand; I expect the latest at which the Lord will come with his holy ones to totally destroy those arrayed against him at Armageddon will be 2030.

**AMAZING QUIET AMONG MANY AMERICAN BELIEVERS RIGHT NOW** – No doubt this quiet is true for believers worldwide, but I am most familiar with American believers. True, serious, born again, Spirit filled believers should all know the rapture is imminent. If they do not they must be asleep. And I expect they are all eagerly looking to the Lord's return and eagerly looking to get away from this decaying, violent, morally falling world. In this environment many, hopefully all, are seeking the guidance of the Holy Spirit as to any divine encounters they should have and how they might help the Father lead others to Jesus.

It is surprising to me that more believers do not speak up boldly against the falsehood, the lies that steadily pour out from the government and the media and the woke and counter culture movements, the universities, the entertainment world, some large corporations like Disney, and more. Perhaps they do, and the media just does not cover their comments or efforts. I am encouraged that more prominent well known believers are now speaking out more and more against all this.

**AMAZING QUIET OF THE AMERICAN CHURCHES** – I have written lately about how the extraordinary quiet of so many American churches regarding the imminent return, regarding the Holy Spirit and his gifts for believers and how believers should live in all this, regarding all the evil in society, and more is so shocking. The behavior of many of these churches that are so silent regarding all the evil obvious to everyone in our society reminds me of the way the churches and pastors in Germany before and during WWII ignored all the horrors of the Nazi regime, except for a few bold individuals like Bonhoeffer. And the behavior of churches today that even promote or support anti-God behavior like homosexual priests and marriages just demonstrates being lost. The Bible notes that teachers are held to a higher standard. A lot of pastors and church leaders will surely have a lot to answer for in the judgement. Unfortunately, naïve uninformed persons who attend these quiet or lost churches are not hearing what they need to know at this time. These may be those who wake up and come to Christ during the Tribulation, the Tribulation saints.

**THE RAPTURE** – From all that has happened, all Jesus has shown me over the years, and especially from the vision he gave me early last year and I wrote about in the February 2022 newsletter, we know that the timing for this is imminent indeed. I expect Jesus to come to collect his believers before the end of this year. If that does not happen, then surely in a very short time afterwards.

**THE BEGINNING OF THE TRIBULATION** – This will happen shortly if not immediately after the rapture. Why do I say that? God has not appointed his believers to suffer wrath, and that is what happens during the Tribulation. If 2030 is indeed when Armageddon occurs, then the Tribulation has to begin seven years before then. That seven year period would have to begin by the end of 2023 or shortly thereafter.

**INCREASING HARDSHIP AND TERRIBLE EVENTS FOR THE PEOPLE ON EARTH DURING THE TRIBULATION** – Thank God we believers will not be on earth during the Tribulation. But everyone else will, which will be the overwhelming majority of people. Jesus talks about how horrible these years will be. Revelation discusses numerous unbelievably horrible events. Many people will be killed along with many animals. Much of the landscape will be destroyed. Not a good time.

**SETTING UP THE NEW GOVERNMENT FROM JERUSALEM** – After the Lord comes with his holy ones and wins the battle at Armageddon at the end of the Tribulation, likely in 2030, he will establish his Kingdom rule from Jerusalem. We believers will be holding positions in that in some way yet to be explained. This Kingdom of God on earth will continue for the next thousand years, the millennium, a long time in which the human society can recover, grow in numbers, and I would think produce many more believers/followers of the Lord. All believers will surely see this millennium.

**THE NEW JERUSALEM** – At the end of the millennium period, a new Jerusalem, really a new earth, is established which is the Kingdom of God with the Father and Jesus in residence. No need for light, for they are the light. Only believers are inside. According to the Bible, this is the size of a cube about 1400 miles on each side.

**THE LAKE OF FIRE** – This is where all the evil ones end up, the unbelievers, those who never come to know Jesus. The antichrist and the false prophet are thrown into it at the battle of Armageddon. Even the devil ends up here, thrown in after the millennium and his last attempt then to create an uprising (which fails) against God. Please note this is an eternity of punishment. I like that Jesus describes eternal life for the believer as life with the Father and himself, but he describes eternity for these unbelievers as punishment in the Lake of Fire. Note he does not use the word life for them.

Well, that is enough looking ahead. In so many of our publications and other material we have presented and discussed all the Biblical prophecies that have been fulfilled. We have discussed the times we are living in. Nothing has to happen now before Jesus comes to collect his believers and all I have written about above proceeds to play out.

May God bless each of you with more and more revelation of the full gospel, Jesus' imminent return, and his role for each of you at this time. And may you go forward with boldness, the boldness Peter prayed for the new believers early in Acts. Be bold. You know the King of the Kingdom of God. You know the Priest of all priests. You know Jesus. You know where your future lies. How favored are you among all people!
