## **KEEP YOUR EYES ON JESUS - NOW!**

At this time especially!!! Always! He is your hope, your only hope. He is your life. And he is your way to a good future with him and the Father. There is no good future at all without him and without your being one of his true believers. None.

All the pleasant people you know who clearly do not know the Lord do not have a good future at all, not unless somehow they come to realize who he is and ask him to be the Lord of their lives, to be their savior.

Today the earth is teeming with an abundance of evil operating through many. So many leaders in all fields are desperately deceived and lost and are supporting or advancing ideas and positions that are just dangerous and destructive. Thank God, you, if you have been born again, if you have the Holy Spirit and that wonderful gift of the Spirit - discernment, can tell truth from falsehood.

Jesus' first warning about the times in which we live was to watch not to be deceived. He also warned against false prophets in these times. Well, you are living in the midst of all this.

Most on earth stumble around trying to see which way to go, trying to see who to believe. Yes, some who may not know Jesus may still have enough common sense to know something is dreadfully wrong with earth society at this point in time. They see the almost ridiculous government and academic policies and actions being taken, the blatant falsehood of much of the news media, the almost crazy policies of corporations that surely cost them greatly, the gigantic fall of society away from God to a point of being like Sodom. But still they don't know what is happening.

You, if you are one of Jesus' believers, you know. And it is your sure responsibility to do all you can to help the Father lead others to Jesus. There is a fixed group of humans in all creation that God intends to have in the Kingdom of God. They are known as the elect in the Bible, people he actually knew about from the beginning. But even those people must hear the good news, the gospel, to believe. By now most of those I expect have. But not everyone. We are still here on the earth. Once all that are to hear have heard, the Lord should be here quickly to collect his believers. And the dreadful seven-year Tribulation should soon begin.

In this difficult world always apply all God has for you, all his tools of protection and healing and provision and more. You on your own are no match for the evil that is rampant. But you

with the Lord are unbeatable. On our website go to the healing resource page to get much about divine healing. And go to the return of Jesus page to get much about his imminent return. Newsletters saved on the website on protection (April 2020) and healing (August 2021) and the imminent return (December 2021, February 2022) are invaluable. Watch as many of our television programs saved on the website as videos as you can. And be sure to stay up with us on Twitter as we frequently post new videos on subjects vital to our day and time. We intend to continue posting these videos right up to the time the Lord comes. The article on page 3 gives more information on these videos.

Believers know the truth, they know where they are going. And they keep their eyes on Jesus and their life efforts tied to him.

Many years ago right in the midst of a service the Lord spoke to me: “John, tell them who I am and that I am coming soon.”

That is what I am doing here. That is what I always try to do. That is what this ministry focuses on, that and all the key aspects of the gospel, including such wonderful things as divine healing and operating in the authority the Lord has given us.

May God bless you all. Be of good cheer. The Lord has overcome the world. In him you do too.

## THE GLORIOUS CHURCH

Here in the midst of these last days some might be wondering about just when is Jesus’ glorious, unified CHURCH born?

I suggest it is born at that moment when the Lord comes in the clouds with the archangel and the trumpet and gathers his believers – previously deceased and those still living – to himself.

That is the birth of Jesus’ glorious CHURCH, his true CHURCH.

Think about it. All those collected by Jesus will be those born of water and the Spirit, true believers. That type of CHURCH will surely be united and of one mind, for they all are full of the Holy Spirit.

All that has happened since the Lord ascended from earth in Acts 1 up to now has been a gestation period, a period of struggle and development and growth, as more and more are added to the Kingdom, as the CHURCH prepares to be born in its full glory.

Some people for years have been trying to make the earthly churches united, come together as one. It will never happen. These churches are full of people with all sorts of different views,

many human views and opinions. Some people are born anew to be sure, but others have no idea what that is. Some know the Holy Spirit and even are baptized in the Spirit, having the gifts of the Spirit. Some know nothing about that or even think that is not for today. Whole denominations do not deal openly with being born again or filled with and baptized with the Holy Spirit. Putting all these people together cannot bring a glorified united CHURCH. Obviously that will not happen from man's efforts.

But Jesus' return in the clouds to collect his true believers gives him a 100% united glorious CHURCH. That is the CHURCH that attends the marriage supper of the Lamb in Revelation 19. That is the CHURCH that is the Lord's body. That is when this all happens. And it will happen soon. You want to be a member of that CHURCH.

## **DON'T MISS OUR IMPORTANT VIDEOS NOW BEING POSTED ON TWITTER!**

On June 16 we began the periodic posting of important videos on Twitter. We intend to continue with these right up to the time the Lord returns. All are chosen for their pertinence to where we are right now in time.

If you have not done this before go to our Twitter account and you will see the videos to watch. Just click on them. The one posted initially focuses on how everything happens when Jesus comes to collect his believers. A second one posted on June 24 focuses on Jesus' warning to us to WATCH!, to BE ALERT! so that we will be counted worthy to escape all that is coming on the earth. A third posted on July 5 deals with HOW DOES ANYONE GET TO GO WITH JESUS WHEN HE COMES? I expect we will post one every week to ten days as possible.

If you have not previously done so, you can always download the Twitter app to your cell phone or other device and watch there.

This is something you can share with all you would, including those you wish would come to know the Lord. The videos will always be there---you will just have to scroll through the Tweets to see one from the past. Twitter recently changed some of its policies to make all this possible, and we certainly are thankful to God and to Twitter for this opportunity.

**NEVER FORGET THE GREAT TRUTH OF OUR TIME:** Everything is secondary right now to the fact that Jesus is coming soon and that to be in the Kingdom, to go with him, you must be a true believer in him. You must be born anew. Jesus must be your Lord. (For more guidance on what it takes to be in the Kingdom, read our October 2021 newsletter, see Chapter 11 in our book **WAKE UP AMERICA!**, watch our two television programs titled “Getting into Heaven” on our website and YOUTUBE, and watch our video How Does Anyone Get To Go With Jesus When He Comes?
