## **APPROACHING THE END OF THIS AGE**

For so many months and years I have written and spoken about the imminent return of the Lord and all the many aspects of that. And in recent months the intensity of my words has ramped up as we move ever closer to that moment. It is time for all of us to look specifically at where we are right now, what is about to happen, and what will happen after that. The timing of the Lord's return and all that entails is approaching.

Soon Jesus will come to collect his believers and take them away with him. They will meet him in the air and get their new glorious bodies. They will go to be with Jesus in heaven for at least seven years. What will they/we be doing there? Perhaps some of us will be receiving training or education in some area we missed on earth. Perhaps we will be meeting friends and family who passed away some time ago. Maybe we will be meeting ancestors we never knew. I don't know. One thing is for certain: we will be awestruck to be there, to be where God the Father and Jesus are based. I expect we will spend a great deal of time worshipping Jesus and the Father.

Soon after Jesus collects his believers, the seven-year Tribulation will begin. This will be a time of great horror on earth, horror coming from two sources - from the evil side and from God. Consider:

- The devil will continue to run amok. He knows his days are numbered. He will work through His Antichrist to gain government control of the world. The Antichrist will be assisted in this by the false prophet. It will be a horrible time for all those people left behind on Earth, which will be the overwhelming majority of those on earth now. The Antichrist and false prophet will require people to have a mark on their forehead or hand in order to buy and sell. The false prophet will require people to worship this Antichrist, also known as the beast, and the image of this beast. In the middle of the seven-year tribulation period, the Antichrist will take up residence in the Temple in Jerusalem.

In line with the plans of the devil, right now the United Nations and other groups are actively working toward this one-world government to be headed by the Antichrist. The term you often hear is 2030 agenda, a program to move to one-world coordination – or control – of essential areas of life by 2030. This program began in 2015. The United Nations is having a meeting this year in September to review progress on this agenda. It

is concerned the project is not moving fast enough. Other organizations obviously involved in this one-world movement are the World Economic Forum and the World Health Organization, which in fact is itself part of the UN. The World Economic Forum refers to all of this as the Great Reset. It is the head of the World Economic Forum who has made this chilling statement about the future: **“you will own nothing, and you will be happy.”** Yes, dear partners and friends, it is all happening. We are in the last days.

- God during the seven-year tribulation will pour out his judgment on the world. He has been patient for so long. But no longer. The Book of Revelation describes the many horrors poured out on the world that occur during this time - disasters of all types. Much of the world is destroyed, many people are killed, many animals are killed. I do not expect today's believers to be on earth to see these disasters. We were not appointed to suffer wrath, as Paul says in the Bible.
- During this seven year period some unbelievers on earth come to have faith in Jesus, for we have the report of John the disciple in Revelation that he sees huge numbers of believers in heaven that have come out of the Tribulation. I expect that, likely, when those who have heard of Jesus but are not believers see all those who have disappeared, they begin to search for answers, going to church libraries and looking at videos on the Internet and such and coming to know Jesus (Revelation notes that some people – maybe all – who refuse to take the mark or to worship the beast or his image are beheaded by the Antichrist government.).
- At the end of the Tribulation there will be a great battle at Armageddon near Jerusalem. My expectation from all the Lord has shown and told me and from Bible prophecy is that this happens in or close to 2030. This battle is between the Antichrist and all his forces from various countries on earth, fighting against a giant army led by Jesus who is riding a white horse. The Lord's army consists of his holy ones: his believers and his angels. The actual battle of Armageddon will be won by Jesus by the sword coming from his mouth. Every member of the army opposing Jesus will be killed. The Antichrist and the false prophet will be thrown into the lake of fire where they will stay forever (That dreadful place awaits all unbelievers.). The devil will be seized by one of God's angels and imprisoned in a pit for the coming Thousand Year (Millennium) period.

We ourselves are living right before the imminent return of Jesus to collect his believers and right before the beginning of the Tribulation. We indeed are living at the end of this current human age. We are warned by Jesus to watch, to be alert so that we may be considered worthy to escape all that is coming on the earth. We must keep our focus on Jesus and be in the right relationship with the Lord.

It is interesting to think about how all those left behind on earth by Jesus when he takes away his believers will deal with the disappearance of these people. The actual percentage of the total world population that is taken away by Jesus will not be huge, but it will consist of the true believers and thus the true moral base of society. In nations like the USA their disappearance will be obvious and impactful.

One thought I ask you to consider: Have you noticed the growing press and public coverage of UFO issues, and the increasing willingness of the national government to participate in such a discussion? One possible way the national/world governments might handle the shocked and probably fearful population left behind when believers disappear will be to tell them the people were taken away by aliens. Deception and falsehood abound in our day.
