REACHING MORE AND MORE FOR JESUS IN THESE LAST DAYS

Our IMMIDENT RETURN OF JESUS video series has now reached tens of thousands throughout the US and now the UK and Australia. Back in mid-June we began posting on “X” (formerly called Twitter) new teaching videos on various aspects of the return of Jesus. We have also posted these on the John Newlin Ministries @DareToBelieveTV channel on YOUTUBE. As of this newsletter, we have posted eight such videos. We intend to post another video every 10 days or so as possible until Jesus comes.

I expect many of you remember that back in 2005 while I was preaching to a group, the Lord spoke in my ear: “John, tell them who I am and that I am coming soon.” In these last days we are working ever harder in new ways to get this message out to more and more people. To that end we have been working with X (Twitter) to get these videos brought before people who normally would not realize they are available and would not see them. This is a valuable promotional service X (Twitter) offers, and with this help our videos are reaching ever increasing numbers. All this does of course come with a real financial cost to us.

We are using modern technology and social media to reach these people. You would be encouraged to know that a large number of those watching these videos are under fifty. In fact the largest age group is 20-29. We are reaching younger people!

In our videos we talk about Jesus, who he is, his return, what will happen, what is going on now, how to get into the Kingdom of God (be saved).

As an illustration of the reach of these videos, so far our Episode 8, JUST WHO IS THIS JESUS WHO IS COMING SO VERY SOON, has been brought before more than 39,000 people with more than 13,000 actually watching. Our Episode 3, HOW DOES ANYONE GET TO GO WITH JESUS WHEN HE COMES, has been brought before more than 31,000 with about 12,500 actually watching. Interestingly, about 500 chose to watch that video more than once. And while all our new return videos are available anywhere in the world, we have actually thus far only worked with X (Twitter) in their promoting two of them some in the US and the UK and Australia! Lots of countries to go! And lots of people!

Those are big, meaningful numbers.

This is a wonderful opportunity that has come our way at this point in time and we are trying to use it to the full. I think we are reaching large numbers we only reached in the past when we were on television on the East Coast in the USA. It is not easily possible to reach such great numbers by in-person meetings.

Time is indeed running out. Please help us finish the race. It is so close to the return of the Lord. We want him to find us doing all we can on the earth to help in the Father's drawing people to Jesus, to be standing up for Jesus, to be representing him everywhere in our lives. I know you want the same for yourselves.

All of the various efforts of the ministry take funds, and we are grateful for all those who donate to the ministry, whether on a one-time basis or monthly. Please consider doing so if you have not, or perhaps increasing your donation at this time if possible. With these new tools described above and the open door the Lord has given us through them we are reaching so many and can reach untold numbers more for Jesus, but we need your help. The Lord indeed is coming very soon and the great majority of people do not know him or that he is returning. If what God is doing through us now is not the Lord's work I do not know what is. All of you who participate with us are part of all this.

In addition to funding, we most certainly appreciate and need your prayers. Please pray for protection and provision for Cathy and me and all we are involved in, as well as abundant funding so we can take full advantage of all the opportunities we have been given. Thank you for your prayers and support; please pray protection for yourselves as well. And as always, please send us any comments or suggestions you may have. We do, as you know, pray for our partners every day.

THINGS DONE IN DARKNESS ARE COMING INTO THE LIGHT

Consider for a moment these extraordinary scriptures:

¹⁷ For there is nothing hidden that will not be disclosed, and nothing concealed that will not be known or brought out into the open. – Luke 8

² *There is nothing concealed that will not be disclosed, or hidden that will not be made known.* ³ *What you have said in the dark will be heard in the daylight, and what you have whispered in the ear in the inner rooms will be proclaimed from the roofs.* – Luke 12

²² *For whatever is hidden is meant to be disclosed, and whatever is concealed is meant to be brought out into the open.* – Mark 4

Among so many things happening on earth now, one really unique positive one I think is the steady increase of more things done in secret being brought out into the open. Certainly things long covered up, hidden, are coming to the fore in the political arena today that should cause any of the people on earth with a modicum of common sense and discernment to perk up.

In other areas of life this is happening as well. For example, in public education, parents have risen up to stand against the ungodly takeovers of schools in many places with awful policies that had been quietly creeping forward for years, such as CRT, white supremacy, general teaching of transgenderism at all ages, not telling parents what their kids are doing, and so on. In Loudoun County, VA, a Christian school recently opened and almost immediately 500 students were enrolled. Thankfully, there truly is a serious group of people, believers and others, with fundamental values who are at last refusing to accept the evil policies of the current “last days” world system.

The Lord Jesus surely is coming very very soon. So how will all this revelation of things that had been hidden play out after the Lord soon takes his believers away? I don’t know, nor do you. But this is the situation. Another interesting aspect of these amazing times.

NEVER FORGET THE GREAT TRUTH OF OUR TIME: Everything is secondary right now to the fact that Jesus is coming soon and that to be in the Kingdom, to go with him, you must be a true believer in him. You must be born anew. Jesus must be your Lord. (For more guidance on what it takes to be in the Kingdom, read our October 2021 newsletter on our website, see Chapter 11 in our book **WAKE UP AMERICA!**, watch our two television programs titled “Getting into Heaven” on our website and YOUTUBE, and watch our new video “How Does Anyone Get To Go With Jesus When He Comes?” on X (formerly Twitter) and YOUTUBE.

AGAIN, PLEASE HELP US GET THE TRUTHS OF JESUS AND HIS IMMINENT RETURN OUT TO AS MANY ON EARTH AS POSSIBLE! ALL DONATIONS ARE GRATEFULLY APPRECIATED. Our sincere thanks always to all who contribute to this ministry with your prayers, your financial donations, and other assistance!
