## LIVING AT THE END OF THE BIBLE

It is always exciting when reading a book to come near to the last page, especially a mystery or some other such book with a surprise ending.

Well, we human beings are now reaching the end of the Bible, the greatest book ever written. It is the book of life authored by God through many individuals to inform and guide his people. Though these individuals lived at different times over about fifteen hundred years, the various sections all remarkably tie together and are a consistent whole. This Bible is a living reference book that always applies, a book whose very sentences mean different things to the reader depending on where that person is in life and what he is dealing with at the time of reading. It is a spiritual history book. It is a prophetic book. And now we are nearing the last page.

There are many readers who are so excited to be approaching the end of this book. They are ready. They are the believers in Jesus Christ. They are ready for his return to collect his believers and ready for his victory over the evil forces at Armageddon (Revelation 19, Zechariah 14) and ready for the establishment of God's Kingdom on earth in Jerusalem (Revelation 20). They look and listen, trying their best to watch as he advised in Luke 21:36 so they are ready to go with Jesus when he comes and calls them to join him.

There are even some who are not readers no doubt who also are excited, those who believe because they have heard the Word from others and have believed.

And then there are the majority, those who don't know the Bible at all or consider it a fantasy book or just ignore it. Or don't ever see it. And for them the end of the book will be a shattering time indeed as they see people they know vanish from earth, as they enter and move through a desperate period called the Tribulation and an especially huge real battle of good versus evil at Armageddon, and then, if they are still alive, on into the Millennium.

The last pages. If you haven't read them, maybe you should turn to them now. And spend considerable time there seeking to understand. First though, if you have not, read Mark 13, Matthew 24, Luke 17 and Luke 21. And Zechariah 14. And 1 Thessalonians 4:17-18 and 1 Corinthians 15. And finally, Revelation, the section that does have the last pages. The middle of Revelation describes the terrible events of the Tribulation. Chapter 19 covers the battle of Armageddon. And then chapter 20 presents the establishment of the Kingdom of God on earth and the Millennium. Chapter 21 covers the New Jerusalem, the new earth, and finally chapter 22 - the last page - contains words from Jesus for us regarding who gets to be with him and his Father.

For people who haven't read and studied in the past, those are hard chapters to read and understand. But try. Ask Jesus to help you understand them. Ask the Holy Spirit for help. Maybe seek out believers to help you while there is time. Seek ministry videos like ours on X (formerly Twitter) and YOUTUBE to help. And eventually, hopefully, before the Lord comes, if you are not already there you will arrive at the point to ask him to be the Lord of your life. Many of the readers of this newsletter are already believers of course, and I just ask all of you to help those who do not know in all these ways.

## REACHING THE WORLD FOR JESUS

Way back in 2005, I was standing preaching to a group when suddenly in my right ear Jesus said, “John, tell them who I am and that I am coming soon.”

And so, ever since, our ministry has focused on just that. All the many aspects of the Lord, all the many aspects of the gospel, but fundamentally on who Jesus is and the fact that he is coming soon. Never have we been more on point, I believe, than in the months since June when we began a video project which I call The Imminent Return of Jesus. Sometime around then I realized we could seek and receive special approval from X (then called Twitter) that would give the ministry the right to load longer texts and videos on this social media system, up to at least an hour in length. So we did seek and we did receive that approval.

And thus began the series. Initially every week to ten days we loaded a new video about Jesus and about his imminent return. They were and still are about ten to fifteen minutes in length, a time that seemed the right length to capture people who do not know us nor much or anything about the subject. Then a month or two later a minister friend suggested I consider promoting the videos using the X (formerly Twitter) organization. That is a strange term, but what it means is X uses its data and international algorithms to get the videos before more and more people who have never heard of us but would be likely to look at them. And so we began that effort, first in the US and then moving to the other significant English speaking countries.

As example of the extraordinary impact we are seeing, consider a couple key videos in the series that we always promote first wherever we go, Episodes 8 and 3. They deal with who Jesus is and how anyone can go with him when he comes. Just look at these few numbers: When we first promoted Episode 3 in the US for just three days in August, 24,000 people went to the post! When we first promoted Episode 8 in the United Kingdom for 2 days, 14,000 people came to the post! And doing the same in Australia brought 18,000! The UK and Australia are much smaller than the US! Many are hungry for more of Jesus, more of what we are presenting through these videos, if they can just find them! And we are working to help them do just that!

Tens of thousands throughout the world are being reached with the truths of God in the ways and words God has given me to speak. Anyone in the world with free access to the Internet can access X (Twitter) and watch our videos, except for those in a few closed nations which are not so free and for which this is not available.

We thank God every day for opening this great way of reaching large numbers of people in these last days!. All this reminds me of the way he just opened up the TV world to us years ago; it all just seemed to happen. And all this on the Internet has just seemed to happen too. All – TV and the new videos - with a lot of work of course. But all obviously with God’s leading.

All of this does cost funds, of course, but the benefit has been staggering. In a short time the response has been immense. I think no time in our ministry have more listened to us and heard the messages the Lord gives us than now (other than possibly back in 2007-2012 when we were on television on the East Coast of the US).

**The more funds we have to promote the new videos on X in more and more countries, the more people will hear of Jesus and the gospel and his return and what it takes to be with Jesus and more. Please seriously consider if you can help us in this powerful outreach. Any donation is a great help in this and other areas of the ministry. Looking at the tens of thousands reached already in just a few months, imagine what we can do with more funds in the short time remaining before the Lord returns.**

## WARS AGAINST ISRAEL!!!

There are three fundamental wars that involve Israel in the last days, from now through the conclusion of the Tribulation which ends itself with the last of these three wars, Armageddon. I have written extensively on these three so I do not plan to write again except for a few comments. To read more, please read chapter 6 in our book **WAKE UP AMERICA!** Also, go to our blog and search for wars. Much will come up. Lastly, just look at our recent **SIGN OF THE TIMES** sent to our email distribution list two weeks ago. It is also posted on our blog. So read that one. All of this tells of the three wars:

**Psalm 83 war** – a battle between some nations that are around Israel and Israel, which does win the war.

**Ezekiel 38-39 war** – an attack from the north led by Russia, Iran, and Turkey against Israel. God himself dramatically and visibly knocks the invaders out of the sky and wins the battle for Israel. He does this so people can see his glory.

**Armageddon** – the last battle at the end of the Tribulation. Armies from nations of the world under the leadership of the antichrist go to an area near Jerusalem and are met in battle by a heavenly army led by Jesus on a white horse and consisting of his holy ones - his angels and his believers. Jesus wins this battle with the sword coming from his mouth, the WORD of God. There is power in the WORD! All attacking Jesus and his forces are killed. The antichrist and the false prophet are thrown into the Lake of Fire, The devil is seized and locked in a deep pit for a thousand years.

My observation is right now we are seeing part of the Psalm 83 war. Certainly the Palestinians are identified in the psalm as one of the groups attacking Israel. Syria too, and Lebanon are identified, and right now Hezbollah in Lebanon is sending missiles on Israel and terrorists from Syria are also sending missiles and drones into the conflict. Perhaps we will see other groups join in.

(Here is a unique but possible perspective: This Psalm 83 war really may cover a longer period. When Israel wonderfully came into being as a nation in 1948, really dramatically beginning the era of fulfillment of all the prophecies leading up to Jesus' return, almost immediately Israel was attacked then by nations around it; yet it won the battle. Again in 1967 Israel was attacked by such nations yet it won. And so on. So Israel has been attacked by nations around it more than once since it came into existence in 1948, and I would suggest all these attacks could be considered perhaps part of a long Psalm 83 war conducted by Israel's surrounding neighbors.).

Once Israel is successful in the current effort against Hamas and whoever joins Hamas, I expect the Ezekiel 38-39 war to occur sometime in the first half of the Tribulation. I expect this because I expect the current battle will end with some sort of peace agreement being signed, an agreement referenced in Daniel 9:27; the individual leading that signing will be the antichrist.

We are living amidst the playing out of the final key elements of Bible prophecy and the end of this age. Do not forget: once the final battle of the three – Armageddon – is complete, the government of the Kingdom of God will be established in Jerusalem with Jesus' believers occupying positions of authority. Amazing. Not long now.

**NEVER FORGET THE GREAT TRUTH OF OUR TIME:** Everything is secondary right now to the fact that Jesus is coming soon and that to be in the Kingdom, to go with him, you must be a true believer in him. You must be born anew. Jesus must be your Lord. (For more guidance on what it takes to be in the Kingdom, read our October 2021 newsletter on our website, see Chapter 11 in our book **WAKE UP AMERICA!**, watch our two television programs titled "Getting into Heaven" on our website and YOUTUBE, and watch our new video "How Does Anyone Get To Go With Jesus When He Comes?" on X (formerly Twitter) and YOUTUBE.
