## **REACHING THE WORLD FOR JESUS IN THESE LAST DAYS**

Our videos are reaching hundreds of thousands to tell people worldwide who Jesus is and that he is coming soon.

Suddenly yesterday afternoon I had a revelation - God is reaching the whole world through us, through our ministry. Now, this ministry is your ministry as well. All of you who pray for us, who pray for those God reaches through us, who donate or have donated funds to the ministry, who have volunteered your time and efforts...it is your ministry too.

God is reaching the whole world through all of us! Of course, we had for years been reaching people in many states and countries through the publications, the website and blog, the television programs, recordings, in person programs, and more, but not nearly the huge numbers like now. It is almost too much to take in, isn't it?

You may recall we began posting short teaching videos on our X (Twitter) account in the summer, adding one every ten or so days. Now there are ten videos posted. These videos are all about various aspects of Jesus and his imminent return. They are all also included on our YOUTUBE channel under the heading The Imminent Return of Jesus.

So individuals who know of this can go to our X (TWITTER) site and watch the videos in most of the world. But of course most people on earth are not aware they are available, so we have taken steps working with the X (TWITTER) organization to promote these videos in various countries, to bring these to the attention of as many as possible. So far we have steadily moved through the primary English speaking countries – USA, UK, AUSTRALIA, CANADA - and now some of those who have a high number speaking English as a second language – GERMANY, PHILLIPINES, NETHERLANDS.

God is obviously moving through all this. As with our television programs several years ago, all this has just gone forward – with a lot of work of course but the doors have been open when we have found them. God has led us through steps and resolutions of difficulties and we just keep going!

Hundreds of thousands are coming to these video posts! Listen to this: In the Philippines we first took steps to bring Episode 8 – WHO IS THIS JESUS WHO IS COMING SO SOON – to the attention of many. In the first hour 10,000 came to the post. During the first day 44,000 came to the post!!! That is all God, drawing people to his vital truths in these last days.

Cathy has pointed out to me God is using all those experiences I had working in about fifty countries around the world before he called me, all the knowledge I accumulated of vastly different cultures and societies. God is amazing. He always has a plan.

Just now as I write, in two-day promotions this week in the Netherlands, Australia, and the Philippines, almost 100,000 have come to the video posts! The numbers have been increasing steadily week after week!

All this promotion effort costs money for each country and we would greatly appreciate it if you could consider sending a donation to help us reach more as quickly as possible. This is true last day's evangelism. Jesus indeed is returning very soon. Why else do you think this is suddenly possible and happening? There are many countries in the world and mostly lost people everywhere. And while some countries indeed are closed to evangelism, we carefully analyze and review and take steps to get into as many as possible.

You would probably like to know these are our key videos that people are coming to see:

Episode 8 – WHO IS THIS JESUS WHO IS COMING SO SOON?

Episode 3 – HOW DOES ANYONE GET TO GO WITH JESUS WHEN HE COMES?

Episode 2 - WATCH! BE ALERT!

Episode 10 - REACHING THE END OF THE BOOK – JESUS RETURNS.

Again, thank you for whatever donations you can send. And watch the videos yourselves as you can. Recommend them to all you know who need to know more of the Lord and what is happening.

## Thomas and Ann and the Flood

Most of you I hope are familiar with Thomas and Ann. They are native Kenya ministers who have a church and orphanage in rural Kenya in the Kisii region. We have been working with them for many years

In the current rainy season there they suddenly suffered from catastrophic flooding on their home and the orphanage and the farm they cultivate for food and the small brick making business they use for some additional income. They all have had to evacuate but they did not have funds to do so.

We have helped by providing funding for them to secure housing and electricity in facilities on higher ground. As Thomas said recently, we are all inside and we are dry.

Please be in prayer for them – for safety and protection and provision and for the waters to recede, the rains to cease, and them to be able to move back to their home buildings safely. Again, as you see, this is another new demand on ministry funds, and we thank all of you for your donations that help us do things like help Thomas and Ann, their own children, and their twenty or so orphans.

## HOW TO LIVE IN A TIME LIKE THIS

Many wonder just how are believers to live in a time like this. Well, I think many of you know the answer to that, but here we have included key points with references to our writings you can pursue further. If you ever want paper copies of anything just contact us and we will send along.

- Keep your eyes on Jesus – for your peace, for your hope, for your future, for your life. This is fundamental!
- Keep up with events on earth but watch TV/cable/internet news only a short time each day. Don't be dragged into the mesmerizing constant repeating of the dreadful news of the day that these outlets engage in for ratings sake.
- Be wise and alert – watch – wherever you go. The devil is running amuck right now. And obviously we all see the prophesied falling away from God and the rise in lawlessness everywhere.
- Use the tools God has given you to protect yourself and your family. We described these tools in some detail in the April 2020 newsletter. You can find the link on our healing page on the website as well as in the newsletter archives there.

- Use the tools God has given you to stay in good health and to receive healing as needed. (Go to the healing page on our website. We have many writings on this subject as well as many television programs you can watch on our website or YOUTUBE channel.)
- Follow Paul's advice: *...brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.* – Phillipines 4:8
- Take all thoughts captive to make them obedient to Christ. Great advice from 2 Corinthians 10:5. I have used this many times in my life and am often recommending it to others.
- Ask The Holy Spirit to guide you in all encounters, to arrange all encounters. Every day do this.
- Ask the Lord to orchestrate every day and moment of your life.
- As you can and as the Holy Spirit leads, tell others about Jesus and the return. If you suddenly find yourself in a moment God has obviously set up for you with someone else and there is an apparent openness to hear the truth, just quietly ask the Holy Spirit to take over, to help, and go forward.

## A CHRISTMAS GIFT

God loves us. He really, really does. That's a key part of the Christmas message. Why else would He ever have sent His son here to go through what he went through? And why else would Jesus ever have willingly gone to the cross?

I was reminded of that this past weekend in a way only God can arrange. Sunday afternoon a friend was coming to visit us at home. Late in the afternoon the doorbell rang, and I opened the door. There stood our friend, holding out a box of clementines. For those of you who do not know, clementines are small citrus fruit, like small oranges, and they seem to make an appearance in grocery stores about this time of year. They come in small but clearly distinct boxes.

Our friend handed me this box of clementines. "God told me to get this for you," she said. And she went on, exclaiming that God was very specific and strong about it. "So I went into a grocery store and I couldn't find them. I thought that I would just get a poinsettia, but well, God said to get clementines." So she stuck with her search, and she found them. Later in the kitchen she spoke with Cathy and asked if clementines were my favorite. Our friend couldn't get over how insistent God had been.

Later I thought more about this. I remembered how as my children grew up we would always get a box of clementines sometime around Christmas. It was a regular feature in our house. The box could always be found sitting somewhere in the kitchen. Everyone liked them. To this day when I see a display of clementines in a store, I want to buy a box.

And I thought some more. Here we are in the ministry involved in our usual activities and praying for guidance from God on key issues, like where and how to proceed in the expensive television ministry, where and what meetings to arrange, whether to begin another regular meeting in southeastern NC, and more. For months, even years, we have been going steadily forward, always fighting and overcoming attacks of the evil one which do come whenever anyone steps out for God. Into the midst of all that God sent an obedient woman friend to bring a box of clementines. Even when I write this the Holy Spirit is so strong in the office I keep stopping and reflecting. Is that love? Yes! And much more. That is God saying - John, even in the midst of all this, I'm still here, and I love you, and look, I even know little things about you, like how you like a box of clementines and what that means to you.

So I've been feeling really warm ever since. God sent me a box of clementines for Christmas. God knows where you are and what you're going through. He knows every hair on your head. Every day, if we'll just look around and take time to see with spiritual eyes, we'll see God directing our paths.

What a heavenly Father we have!
