REALIZING THE POWER OF A LIFE IN CHRIST

You should recognize that title! It's at the top of our ministry stationery and at the top of every newsletter! And it is indeed revolutionary for most believers. Realizing deep inside the truth of that power, getting a grasp on who born again, spirit filled believers truly are, changes our lives.

Jesus didn't hide this truth. It has just not been widely taught in our day and most who do not study the scriptures and have revelations of them do not get this truth.

You probably have read my past writings where I talk about some of the relevant scriptures dealing with all we can do in Jesus. The most prominent perhaps is John 14:12-14 in which Jesus says that believers in him can do the same things he did, even greater! What did he do while on earth? Heal the sick, Raise the dead. Cast out demons. Change the weather. Move through angry crowds who were after him without detection. Feed many thousands with just a few fish and loaves of bread. And so much more.

As another example of such scripture we have focused on, remember and look at the last paragraph in Mark. That is the great commission, and in that Jesus says that believers will lay hands on the sick and they will be well. He also says there that believers can cast out demons.

And one more example: In Mark 11:22-24 he says that believers can order the mountain in their life to throw itself into the sea and if they believe and do not doubt it will be done as they have said. The mountain here refers to any big challenge in life. He further says that when you pray, believe that you receive and you shall have what you have prayed.

There are more scriptures in this vein we have talked about. But now, I want to turn to some other really powerful truths about who we believers truly are in Christ Jesus that just do not seem to get the attention we should give them. Let's look at the book of Ephesians. I just list here from the first chapter a few of the wonderful things this book says:

- For God chose us in Christ before the creation of the world to be holy and blameless in his sight (see verse 4).
- In love God predestined us for adoption to sonship through Jesus Christ, in accordance with his pleasure and will (see verses 4b -5).

Keep Your Eyes on Jesus!

- When you believed, you were marked in Christ with a seal, the promised Holy Spirit, who is a deposit guaranteeing our inheritance until the redemption of those who are God's possession—to the praise of his glory (verses 13b -14).
- God created us with great blessings! The very beginning of Ephesians makes this very clear. Verse 3 declares that God has blessed us in the heavenly realms with every spiritual blessing in Christ. It doesn't say some blessings or a few blessings. It says **every spiritual blessing**. And we just have to realize them and live in them.
- God has incomparably great power for us who believe. That power is the same as the mighty strength he exerted when he raised Christ from the dead and seated him at his right hand in the heavenly realms, far above all rule and authority, power and dominion, and every name that is invoked, not only in the present age but also in the one to come. When he did this, God placed all things under Christ's feet and appointed him to be head over everything for the church – (that is Jesus' CHURCH, the body of true believers) - which is his body, the fullness of him who fills everything in every way. (See verses 19-23)

Jumping now to chapter 2, there is a related point we must look at. In verse 6 there the point is made that in some way even now, we believers have been raised up and seated with Christ in the heavenly realms, in Jesus' name. That is astounding. We don't fully understand that, but the point is that we are already there. Our spirits in a way are there.

So if Jesus is head of the body and all things are under his feet, and if we believers already have in some way been raised up and seated with Christ in the heavenly realms, then everything is under our feet as well! And we have to realize that and in Jesus' name keep under our feet all things including evil spirits and such that would interfere in our lives and harm us!

This spiritual world is one far different from the physical environment we were born into, and most of our teachers in life – family and public school and preachers and professors and others – apparently haven't known or understood that spiritual realm. It takes real spiritual revelation to grasp the truths of the Kingdom of God. But Jesus is here to help us in that journey. Once we make the serious commitment to ask Jesus to be the Lord of our lives, if we continue to be serious and to search for the truth in scripture and life and to pray and hear God, we will continue to grow in revelation truth. Once a believer gets the Holy Spirit and is guided by the Spirit in all truth, this journey escalates rapidly.

Pray for the Holy Spirit to guide you ever more in realizing the fullness of who you are in Christ and all that God has blessed you with. Surely we need this knowledge and these blessings in living today in these difficult times.

WORLDWIDE VIDEO MINISTRY UPDATE

Well more than three million have now come to our videos about aspects of Jesus' return which we have promoted on X (Twitter) in various countries of the world. Praise God. Obviously this is an open door God has led us through. We are reaching so many we would never otherwise have been in contact with.

We have promoted the videos in a total of 25 countries, such as the US, the UK, Argentina, Greece, Poland, Portugal, Kenya, South Africa, Singapore, the Philippines, and many more. You would be surprised at the nations in which the greatest number respond. Our quick two day promotion efforts for just one particular video have brought well over a hundred thousand in such places as Argentina and Greece and Poland. Amazing.

X (Twitter) has now designated one of their staff as a consultant to work with us in this effort. That too is amazing, as most who use X (Twitter) know there is almost no way to reach a human being in this organization. This is just God opening a door, and we hope to make full use of it. Obviously it takes funds to use this X organization and all it offers to get our videos before people who have never seen them in a distant land and would never know how to find them. I would ask all of you to consider whether you might contribute to help in this. I think this is truly part of the hoped for last days revival effort in this short time before Jesus comes to collect his believers. He may come any day now, so we keep working in the time available to get the truths of Jesus and the gospel and his imminent return – and of course of how anyone can be in the Kingdom of God - out to as many as possible

PLEASE HELP US GET THESE TRUTHS OF JESUS AND HIS IMMINENT RETURN OUT TO MORE AND MORE THROUGHOUT THE WORLD! We ask anyone who would to consider donating to the ministry that we might reach more and more in the world. Time truly is running out on this age as you all know. Our sincere thanks always to all who contribute with your prayers, your financial donations, and other assistance! *(All contributions to John Newlin Ministries, Inc. – whether money or material goods or stocks or bonds – are tax deductible.
