DANGEROUS TIMES

“WATCH OUT THAT NO ONE DECEIVES YOU.”

This scripture in quotes above is Jesus’ first warning to all of us about the events of the last days, noted in the three great chapters about the events of the return: Luke 21:8, Matthew 24:4, Mark 13:5.

We have been living in a time of increasing deception on the parts of so many – leaders in government and the various other institutions of life on earth and just plain ordinary everyday people. Now that deception has increased beyond the pale.

Born again, spirit-filled believers have the Holy Spirit to guide them in all truth! Remember, those baptized in the Spirit have the gifts of the Spirit, and one of the gifts is discernment. So just reflect a moment. Jesus said the Holy Spirit will guide us believers in all truth, he will remind us of things Jesus has said to us, he will tell us of things to come, and more. And this great gift of discernment when used guides us in discerning what is true and what is not in all situations.

Believers already should know this, but I am writing to emphasize the problem of deception in our day. We are seeing massive untruths, lies daily in the news media even beyond what we have gotten used to seeing. And we are hearing absolute falsehood and misleading guidance from all sorts of people, even some people who are called religious leaders, which surely is of concern for their influence on those who do not know Jesus or know the gospel and how to discern truth from falsehood.

It is a problem for all true believers to decide how much to get involved if at all in this current election in the US as well as other such things happening in the US and around the world. And it is so upsetting to see leaders and media giving out such falsehoods and knowing that many just accept such falsehoods automatically.

Nonbelievers do not have all the gifts of protection God has for us that I have written so much about such as the armor of God, the angels God has sent believers, the authority to cast out evil spirits (see our newsletters of June 2024, April 2020, and March 2018). So they are ready prey for attack and misleading from the evil one using his evil spirits and deceived persons already working in his camp.

I just want to remind each of you the Lord surely must expect each of us to use all the gifts he and his Father have given us. He did not leave us alone in this lost world that is still under the control of the evil one. No, he sent us the wonderful Holy Spirit with all his guidance and his gifts.

The deception out there today is just amazing. I saw recently how some group claiming to be a religious group had used Billy Graham’s likeness in a promotion for the democratic candidate for President. So Franklin Graham, the son of Billy Graham, felt he had to speak out against this, in the process noting his father would

doubtless have supported the republican candidate since he had appreciated his conservative values even back in 2016.

When are you and I going to speak out about all this deception? Should we? And how? From time to time I post a few comments about news stories on the Internet, pointing out some truth or falsehood. But primarily in my writings and in our videos I focus on just the gospel message and the truth as the Lord himself did when on earth. I tell people who Jesus is and that he is coming soon. I tell people what is happening and what will happen, all according to Scripture and to what the Lord has shared with me. And I pray they receive and share with others, that they are guided by the Holy Spirit.

The fact is these are the last days. They are unpleasant to say the least. Lying is a way of life for so many even in leadership. And sadly, I suppose, many Americans have been so caught up just in living and providing for their families that they do not recognize what is happening. Certainly unbelievers have that problem.

Will there be any period of rebirth for the US and other nations before the Lord comes? Will there be any time where the traditional values that built the US indeed come to the fore? I don't know. I just know we are in the last days, the Lord could come any moment, the falling away from God is readily apparent to any believer, and I don't think you have to wait long to see the Lord. How long? Don't know. This is the season of his return, and he could be here any day to collect his believers.

WE HAVE A GREAT NEED OF FUNDS TO HELP US TELL MORE IN THE WORLD WHO JESUS IS AND THAT HE IS COMING SOON!

By now you are aware of the amazing outreach we have had through the use of our videos throughout the world primarily over X (formerly Twitter). Millions have been drawn to one or more of these videos and the numbers continue to increase, so far in about twenty-five nations on all continents! There are several countries in which the attention of more than 100,000 citizens has been brought to one of our videos in just two days!

In recent writings I have spoken of the great need for funds to help keep this wonderful effort going. In the last couple of weeks we have in fact had to postpone the effort for a while because of plain old lack of funds. This is an extraordinary means of spreading the truth in these last days, and the cost is extraordinarily low. You would be shocked by how many we reach with a small amount of funds. For just \$50 we can reach anywhere from 20,000 to more than 100,000 in a country. Amazing isn’t it. So a gift of any amount is a great help.

Our sincere thanks always to all who contribute with your prayers, your financial donations, and other assistance! *(All contributions to John Newlin Ministries, Inc. – whether money or material goods or stocks or bonds – are tax deductible. PRACTICAL PLANNING FOR THE TRIBULATION AND THOSE LEFT BEHIND

This is what will be left from our ministry for people left behind to use during the Tribulation in seeking to learn more about Jesus and God and what is happening:

- Our blog will continue to be on the Internet. Here as you know are many of our writings, all the Signs of the Times and Watchman Warnings and more. Anyone should be able to access it and search for a particular subject just by searching for johnnewlin.blogspot.com using google or whatever other search program they have.

 Email: info@johnnewlinministries.org [Twitter.com/johnnewlinmin](https://twitter.com/johnnewlinmin) Blog: johnnewlin.blogspot.com

- Our X (formerly Twitter) account will continue to be on the Internet, so all our recent videos and short writings there will be available. Anyone can just go to X to our account. Just search for [Twitter.com/johnnewlinmin](https://twitter.com/johnnewlinmin) using google or some other search program.
- Our YOUTUBE account will continue to be on the Internet. All our videos, including those recently produced about Jesus and the return as well as many of our television programs , will be available. Anyone can just go to YOUTUBE and there search for John Newlin Ministries – @DareToBelieveTV.

Our ministry website itself may not be up on the Internet for more than a month or two after the rapture. That site of course has all the many past newsletters plus the healing page and the return page and much more. We must pay regularly for this to be on the Internet so likely this might disappear after a month or two. I plan to add a few of our past newsletters on really crucial subjects to the blog so they will be available there always.

Of course, none of us know how the earthly authorities that remain will handle things during the Tribulation. They obviously could just stop the Internet or block certain sites. But hopefully that will not happen immediately.

I do suggest you think about and make plans for what you want to leave as regards information and resources for those you think may be left behind. The material above is good information as well as so much more. We did send out on the last two pages of the October 2023 newsletter a guide of what is happening and resources available to leave out in public view. You might do that along with this present page.

Remember, the only thing that really matters is Jesus and your relationship with him.

May you live in the blessings of God always.

John
