## FULFILLMENT OF PROPHECY RIGHT IN FRONT OF OUR FACES

The people of the US and the world are still the same after the change in government in the US on January 20, even if some of the government policies have changed. And the whole world is still at the same point in human history as it was before that happened. We are in the very last days, the time of the imminent return of the Lord Jesus to collect his believers.

As Jesus said so clearly in Luke 17, it will be as in the days of Noah and Lot: People will be buying and selling, marrying and giving in marriage, building and so on. Life will be going on.

I must admit all that is currently happening is a bit perplexing – this installment of a new US government that seems seriously focused on returning to more traditional values and what it describes as common sense. And I do like all of you wonder at times exactly what is going on. One very real possibility is just that this allows the fulfillment of even more scripture. Consider this wonderful verse:

*<sup>2</sup> There is nothing concealed that will not be disclosed, or hidden that will not be made known. <sup>3</sup> What you have said in the dark will be heard in the daylight, and what you have whispered in the ear in the inner rooms will be proclaimed from the roofs. – Luke 12*

Already we have heard that the new president is releasing all the papers connected to the assassinations of John F Kennedy, Robert Kennedy, and Martin Luther King. So suddenly we will all be able to see what has been hidden for years about those horrible events. That fits this verse. For years and years the government has kept us all in the dark on these events, other than the popularly stated views. Many who were alive during the time these horrible events happened have never been satisfied with the official government explanations.

And there are signs information in other dark areas will be released as well – even information about all the horrors of human trafficking and abuse of children and such that has been apparently so covered up and may involve even some well known individuals.

The new government seems focused on being open and clear. Maybe this is what is happening now. And of course each day that passes allows time for God to draw even more to Jesus and into the Kingdom. God reveals his plans to his prophets, you know. And it appears to me he is bringing things out into the open as well as leading more to Jesus right up to the last moment.

*Keep Your Eyes on Jesus!*

So what do we all do? Take it all in. Let the Holy Spirit guide you into all truth. And help as the Holy Spirit guides you in God's drawing others to Jesus.

Stay alert! Watch, as Jesus says. Be in the right relationship with him. Be ready, ever listening for that command, that shout, that trumpet.

## WHEN WILL THE ANTICHRIST BE RELEASED TO THE WORLD?

Much is already underway in putting together the one world government of the Tribulation and leading up to the Tribulation. Notice the activities of groups like the UN and the World Economic Forum, and even all the advances in technology. Notice all the advances in AI - artificial intelligence. Imagine how this might be used by the antichrist during the Tribulation to control and put together this one world order. And the image of the beast.

We hear much talk about a peace agreement with Israel. At some point that will indeed become a reality, an agreement so solid the people there evidently believe it is real. The Bible notes they will be living in unwallled villages right before the invasion from the north described in Ezekiel 38-39.

Well, for this landmark peace agreement to be signed, the antichrist will have to be freed from what is holding him back. Why? Because he is the one who leads the signing of this agreement, as described in Daniel 9:27. What is holding him back? Why, you and me and all true believers in the Lord, and the Holy Spirit acting through us. Once we are taken out of the way, off the earth, the antichrist will be free to act, the agreement will be signed, and the Tribulation will be underway. 2 Thessalonians 2 talks about this releasing of the antichrist.

So we believers won't actually see this agreement coming to fruition. No we won't, thank God. We will be with Jesus in Heaven.

## THE END TIME REVIVAL IS AT HAND!

Several years ago the Lord in speaking to a minister in Nigeria about Cathy and me said at one point that we are his "battle ax for an end time revival." I've always wondered how that could happen and when. As we are so close to the Lord's return, I have especially wondered about that.

And then now suddenly I am thinking that I do see this all happening indeed!

You know that in mid 2023 we began promoting in various countries some short videos on aspects of Jesus and his return. We worked with X (Twitter) which was very open for this, so much so that now they have even assigned a member of their team to help us as needed. Initially we put out a few videos

in the US and then in other English speaking countries like the UK or Australia. But then we moved to other nations throughout the world, places with other languages but where a significant number also spoke English. And what happened was amazing. In the last half of 2023, 830,000 people came to our video posts!

Then in 2024 it all took off. This past year an astonishing more than 3,000,000 came to the video posts in many nations – Kenya, Poland, Argentina, the Philippines, Greece, Singapore, Finland, and many more! That has continued into 2025. This past week we had in Sweden a 3 and a half day promotion of the video *When Jesus Comes to Collect His Believers*. In that short time more than 478,000 came to the video post.

Quite apparently, in these very last days God is reaching the world through all the new technology now available, reaching huge numbers, often many who have never had the opportunity to hear. Along that point, we have now boldly stepped out and just completed a short promotion of our *Jesus* video in a primarily Muslim and Buddhist nation in Asia!! We were not blocked or stopped in this!! More than 30,000 came to the video post there!

Daniel made the point of how knowledge increases near the end of the age. Surely we are seeing this through Internet technology, social media, videos, and God's ministries taking the Lord's truths to the very corners of the earth.

## TAKE A MOMENT

Sometimes when you are quiet and meditating, it is worthwhile to just think about your own faith journey, the milestones you have passed, and maybe even to consider some future steps forward. Here are a few points to ponder, put in the form of questions. How old were you when ...

- you realized Jesus Christ was real and the key to your entire life and future? And how did that change your life?
- you realized the Bible is true?
- you realized the government really can't handle or solve all the problems?
- you realized that doctors can't take care of all physical issues?
- you realized that through divine healing people can be healed instantly or over time? And that Jesus took upon himself all your sickness and disease and that by his stripes you are healed?
- you realized that evil spirits were real and that you need to stay away from certain groups and places and people?
- you realized that it is really true that Jesus is coming soon?
- you were born anew – born of water and the Spirit in Jesus' words?
- you received the baptism of the Holy Spirit and began living in the gifts of the Spirit?
- you realized that many others cannot see the truths you are able to see because of the Holy Spirit and the gifts of the Spirit?

This list can go on and on. Maybe for some of them you might need to spend time searching for answers more intently – in the Bible, in prayer, in finding and hanging out with real born again, spirit-filled believers who can help you and pray with you. We really are right at the end of this age of human history. The Lord soon will be here to collect his true believers and take them with him. All others will be left to endure a horrible time known as the Tribulation. It is possible a person can come to know the Lord then and be saved, but it is also highly true that this is a terrible period with horrible hardships and many humans killed. You don't want to be here then.

I know for some this is all so hard to believe, but it is true. Life on earth is temporary. It in all honesty seems to be a training program. The Bible is true and God – Father, Son Jesus, and the Holy Spirit – are all real and alive right now. And Jesus is coming soon. Your future is all about him and your relationship with him. Nothing else.

## THANKS AGAIN FOR ALL YOUR HELP

Thanks for your continuing support in prayers and financial donations. None of us know precisely of course the day and hour of the Lord's return, but we do know it is very soon. We know we are living in the season of that. We can see with our own eyes the events of the last days playing out. Please continue to help us to reach more and more of those who do not know the truths of Jesus and the gospel! Thank you for partnering with us in this wonderful effort!

[Information note: John Newlin Ministries sends a receipt to each donor for any donation the month following our receipt of that donation. So if you never receive a receipt from us for a donation, please contact us to make sure we received it.]
