¹⁸ *On that day the Lord made a covenant with Abram and said, “To your descendants I give this land, from the Wadi of Egypt to the great river, the Euphrates—” – (Genesis 15, God speaking to Abraham)*

²⁴ *Every place where you set your foot will be yours: Your territory will extend from the desert to Lebanon, and from the Euphrates River to the Mediterranean Sea. – (Deuteronomy 11, Moses telling the Israelites what God has said to him)*

⁴ *Your territory will extend from the desert to Lebanon, and from the great river, the Euphrates ...to the Mediterranean Sea in the west. – (Joshua 1, God speaking to Joshua)*

The current ceasefire agreement in the Middle East involving Gaza and Israel and supported by so many world leaders will obviously not stand as we have all heard it explained. As you can see in the above scriptures, Gaza is part of the land God gave Israel many years ago. No one can change that. But I do expect this current agreement to now have opened the door leading to another coming agreement described in Daniel 9:27, led by the Antichrist, and confirmed by the Jews, by Israel. This step of confirmation signifies the beginning of the seven-year Tribulation.

The Antichrist is specifically noted in Daniel as the one who brings this coming agreement about. Currently he is being held back as noted in 2 Thessalonians. Believers and the Holy Spirit operating through believers are the ones holding him back. But that will soon change when the Lord comes to collect his believers and takes them away with him. We are that close to his return.

ALL BELIEVERS GO IN THE RAPTURE.

We all have probably said or heard others say that they hope to go in the rapture, that they hope to go with Jesus when he comes.

The truth of the matter is that all believers, living or dead, go with Jesus when he comes. Remember Paul’s description:

...we who are still alive, who are left until the coming of the Lord, will certainly not precede those who have fallen asleep. ¹⁶ For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. ¹⁷ After

that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. – 1 Thessalonians

(No doubt the intended wish of believers when they say they want to go with Jesus when he comes is that they want to still be living when that happens. Nothing wrong with that wish! Certainly my personal wish too.)

THE ASTONISHINGLY LOST AND EVIL PEOPLE OF OUR DAY

Yes, that's the title. Not so kind, you might say. But accurate nevertheless.

So many times over so many years I have written about how in these last days God turns over to delusion those people who just will not accept truth. He then just lets them go forward living a lost life. They are on their way to an eternity in hell, in the lake of fire.

We see many in this group today, far too many. Not only are they puzzling and shocking to normal rational human beings, but also they are frightening and dangerous. Out of control people always are. People not in their right mind always are.

The Bible notes these people are perishing. Well of course they are. We just said they are on their way to eternity in the lake of fire.

In our world today, these ungodly lost people are causing a great deal of pain and confusion. They oppose rational, traditional wisdom. They take stands we all know are incorrect and bizarre. And because of their boldness and the fear they engender in many citizens – including elected politicians - they make life on earth much more dangerous and unpleasant.

Think about all the insanity you have seen:

- The inability to answer the question of what is a woman
- Putting boys on girls' physical sports teams
- Having boys share locker rooms and bathrooms with girls
- Pushing to give illegal immigrants the right to vote
- Always, always trying to normalize perverse lifestyles – transgenderism, the LGBTQ group. Always trying to get the mainstream population and government to agree this is all ok. Which it is not.
- Releasing dangerous criminals onto the city streets without holding them accountable for their actions.
- Fighting and demonstrating against various law enforcement groups as they work to make cities safer for the citizens
- And so on

We were told about all this in the scriptures. We just couldn't imagine what it would be like in practice. We are told about how Satan works, about how he uses "... all sorts of displays of power through signs and wonders that serve the lie" and about "... all the ways that wickedness deceives those who are

perishing. They perish because they refuse to love the truth and so be saved. For this reason **God sends them a powerful delusion so that they will believe the lie and so that all will be condemned who have not believed the truth but have delighted in wickedness.**" (See 2 Thessalonians 2:9-12).

In Romans 1 the Bible tells us much more. Basically, for those people who just will not or cannot recognize God, here are a few words from that chapter "...*God gave them over to a depraved mind, so that they do what ought not to be done.*"²⁹ *They have become filled with every kind of wickedness, evil, greed and depravity. They are full of envy, murder, strife, deceit and malice. They are gossips,*³⁰ *slanderers, God-haters, insolent, arrogant and boastful; they invent ways of doing evil; they disobey their parents;*³¹ *they have no understanding, no fidelity, no love, no mercy.*³² *Although they know God's righteous decree that those who do such things deserve death, they not only continue to do these very things but also approve of those who practice them.*" I suggest you read verses 18-32 for even more insight.

These are truly lost humans. We just never thought about them as a group, as a political and anarchic group. I have often thought about how God chose us believers from before the creation of the world, and I have wondered about the other people not chosen who never come to Christ. Just who are they and why are they here? Well, surely, we are seeing the bold behavior of some of those.

I don't have all the answers. But I can recognize the times and the things foretold in Scripture. Surely this is all part of the last days. And surely it is troubling and unpleasant for believers. God has provided protection in many ways for us, as I have often written, and we must never fail to utilize that. And seek his guidance. Pray unceasingly. These are increasingly dark times before the coming of great light for believers and even more darkness for all others.

The Lord is about to step into this world again and change everything. He can't come too soon.

SPECIFIC GUIDANCE FOR BELIEVERS AT THIS TIME

Read the Bible. Stop depending on others for your understanding of truth! Pray! Seek God's guidance. Ask the Holy Spirit to help you understand scripture that you are going to read. Ask the Lord to orchestrate your day, to bring glory to himself and the Father through you. Put on the armor of God every day. In Jesus' name, order away all evil spirits. Thank God for his angels he has sent to serve you. Thank him for their protection.

MORE ON THE AMAZING GLOBAL VIDEO MINISTRY

We have operated in so many different ways over the years, so many different seasons as some would say. All this is according to God's leading. Just think back on our television series up and down the East Coast, our website, our blog, our CDs, all our publications, all our various in-person programs, and now the extraordinary reach of our short videos on X (formerly Twitter) in countries far and wide! As of now we have reached almost 17 million people in this worldwide video effort through X, focusing on Jesus and aspects of his imminent return! We are so close. God is moving everywhere!

This past month of October saw our videos reach 442,000 in Hong Kong and then 1,414,000 in India. India is a nation that is decidedly non-Christian, with a majority Hindu followed by a huge Muslim population. There are all sorts of restrictions there in the various Indian states regarding evangelism, and we did not know if we would even be allowed to go forward. But we were and we did! It's all God!

All of this does take funds, as you can see below. And the ministry surely needs more funds to keep telling all these people who Jesus is and that he is coming soon!!!

THANKS AGAIN – AND A SERIOUS REQUEST

Our thanks to all of you who support us with your prayers and financial donations! We can all see with our own eyes the events of the last days playing out. Please continue to help us to reach more and more of those who do not know the truths of Jesus and the gospel!

If you have not donated in the past, I ask that you consider and pray about such support. We are ready now to go forward in many countries but we need funds to do that. The time is short and we are seeking to reach as many as possible in fulfillment of the Lord's specific assignment to me to tell people who he is and that he is coming soon.

STAND FIRM IN YOUR FAITH AND KEEP YOUR EYES ON JESUS!

SOON YOU WILL BE SEEING HIM IN A WHOLE NEW WAY!

WHEN YOU GET RIGHT DOWN TO IT, JESUS IS THE ONLY THING THAT MATTERS – THAT AND YOUR RELATIONSHIP WITH HIM!

May you live in the blessings of God always.

John
